## **PREAMBLE**

*Applicable from 05 December 2001 until today*

- The Staff Rules of EUMETSAT set out the fundamental conditions of service.
- The Staff Rules have been adopted by the Council in conformity with Article 5 of the Convention of EUMETSAT.
- The Staff Rules can be amended by decision of the Council.
- Detailed provisions for the implementation of the Staff Rules shall, if necessary, be given in instructions laid down by the Director-General.

## **CHAPTER I**

### **RIGHTS, OBLIGATIONS AND RESPONSIBILITIES**

#### **ARTICLE 1**

##### **GENERAL PROVISIONS**

*Applicable from 01 Jul 2016 until today*

- 1** For the purpose of these Staff Rules, a "staff member" means any employee of EUMETSAT who holds a letter of appointment subject to the provisions of these Rules.
- 2** These Rules define the rights, benefits, duties and responsibilities of a staff member.
- 3** These Rules shall apply to all staff members. The Council shall decide to which extent these Rules apply to the Director-General.
- 4** These Rules shall not apply to experts and consultants of EUMETSAT except as may be provided in special Rules for them, or pursuant to the terms of their appointment by the Director-General.
- 5** The appointing and dismissing authority shall be:
  - a) the Council in respect of the Director-General,
  - b) the Director-General in respect of the staff members.
- 6** The Council shall approve the appointment and dismissal of senior staff. For the purpose of appointment and dismissal, the term senior staff shall be understood to mean the Directors of Department and the Head of Financial Control and Internal Audit.
- 7** Specific job descriptions shall be laid down by the Director-General for each of the posts covered by these Rules. They shall be taken as a basis for allocating the appropriate grade, taking into account the nature of the duties involved, the level of responsibility and the qualifications required. The Director-General shall inform the Council of any changes in job descriptions when submitting the draft budgets. Council shall approve the grading of senior staff posts.

## ARTICLE 2

### DUTIES AND RESPONSIBILITIES

*Applicable from 26 Jun 2019 until today*

- 1 As the objectives of EUMETSAT are international in character, a staff member shall carry out his duties and conduct himself solely with the interest of EUMETSAT in mind; he shall neither seek nor take instructions from any government, authority, organisation or person outside EUMETSAT.
- 2 A staff member shall be subject to the authority of the Director-General and shall be responsible to him for the performance of his duties. In the performance of his financial control duties, the Head of Financial Control and Internal Audit shall be subject only to the authority of the Council.
- 3 Staff members shall conduct themselves at all times in a manner compatible with their status as international civil servants. They shall avoid any kind of public pronouncement which might adversely reflect on EUMETSAT and on their status as international civil servants. While they are not expected to give up their national sentiments or their political and religious convictions, they shall at all times bear in mind the reserve and tact incumbent upon them by reason of their international status.
- 4 A staff member may neither seek nor accept from any source, whether directly or indirectly, any material or other benefit, the conferring of which might bring him into conflict with the obligations referred to in paragraphs 1, 2 and 3.
- 5 Staff members may not directly or indirectly hold such interests in a commercial firm as could, by their nature, compromise or appear to compromise the independent, impartial and objective performance of their duties. Staff members holding such interests or whose spouse or a member of their close family is holding such interests shall promptly inform the Director-General in writing, in view of avoiding any conflict with the staff members' duties at EUMETSAT.
- 6 A staff member shall select a place of residence which will not interfere with the performance of his duties.
- 7 A staff member may not publish or have published or make any public statements on, whether on his own initiative or in collaboration with others, any matter dealing with the work of EUMETSAT, save with the consent of the Director-General. Any refusal of consent to a publication shall be explicit and supported by valid reasons.
- 8 Industrial property rights relating to work done by a staff member in the course of his duties shall be vested in EUMETSAT unless EUMETSAT waives them in favour of the staff member.
- 9 As regards copyright relating to work done by a staff member in the course of his duties, the staff member shall be bound to transfer such copyright to EUMETSAT if EUMETSAT asks him to do so.

- 10 Within the framework of the provisions of paragraphs 7, 8 and 9, the rights of the staff member in respect of industrial property rights and copyright shall be determined by the Council.
- 11 In the case of an invention made by a staff member and giving rise to an application for protection from EUMETSAT, an indemnity shall be paid to the staff member by EUMETSAT. The Council shall determine the procedures for implementing these provisions and the amount of each indemnity.
- 12 A staff member who wishes to engage in a secondary activity, of whatever nature, or to continue a secondary activity in which he was engaged prior to taking up his appointment, must seek the authorisation of the Director-General for so doing. Authorisation shall be considered to have been granted if it has not been expressly refused within a period of three months.
- 13 The authorisation referred to in paragraph 11 shall be granted only if the activity in question will not interfere with the performance of the staff member's duties and is compatible with his position as a staff member of EUMETSAT. Should the activity in question cease to meet the conditions laid down in this paragraph, authorisation shall be withdrawn.

### **ARTICLE 3**

#### **PRIVILEGES, IMMUNITIES AND PROTECTION OF STAFF MEMBERS**

*Applicable from 05 Dec 2001 until today*

- 1 Should the privileges and immunities enjoyed by a staff member under the terms of the Protocol on the Privileges and Immunities of EUMETSAT be jeopardized at any time, the staff member concerned must immediately inform the Director-General.
- 2 EUMETSAT shall assist a staff member, or a former staff member, in any action brought against the authors of damage or injury to which the staff member, or former staff member, may be exposed by reason of his office or duties, particularly in any action brought against the authors of threats, insulting words or behaviour, slander or physical assault to his person or members of his family living in his household, or against the authors of threats or injury to their property.
- 3 EUMETSAT shall compensate a staff member, or a former staff member, for the material damage or injury referred to in paragraph 2 if he has not wilfully or through serious negligence himself been the cause of such damage or injury, and insofar as he has been unable to obtain redress from its authors.
- 4 To the extent to which he receives compensation from EUMETSAT for the damage or injury referred to in paragraph 2, a staff member, or a former staff member, shall make over to it any claims he may have against the authors of such damage or injury.

## **CHAPTER II**

### **RECRUITMENT, CONTRACTS AND TERMINATION OF EMPLOYMENT**

#### **ARTICLE 4**

#### **RECRUITMENT**

*Applicable from 27 Jun 2017 until today*

- 1** Recruitment must be so designed as to secure for EUMETSAT the services of staff members of the highest ability, efficiency and integrity, account being taken of the international character of EUMETSAT.
- 2** Sufficient publicity must be given to Member States of any vacancy to enable the greatest possible number of candidates to compete. The period allowed for submission of applications after the issue of a vacancy notice shall be determined by the Director-General, but in all cases the period shall be at least six weeks.
- 3** The staff members shall be informed of each vacant post for which a recruitment procedure will take place.
- 4** Recruitment for posts for which the Director-General is the appointing authority shall be effected after receiving the advice of the Director of Administration, the Director of Programme Preparation and Development, the Director of Operations and Services to Users and the Director of Technical and Scientific Support.
- 5** Recruitment of staff members will be limited to nationals of the Member States of EUMETSAT. In exceptional cases, the Council may waive this requirement. In recruiting staff members, the geographical distribution will be taken into account.
- 6** In principle, a staff member will be engaged at the lowest step of the grade of the post for which he is selected. Recruitment may, however, be at a higher step where this is justified by particular qualifications and experience.
- 7** A staff member may, exceptionally, be recruited at a lower grade within the same category than the approved grade of the function he will occupy if he does not, in full, have the necessary qualifications normally required for the relevant level of function, and if no other suitable candidate is available.
- 8** The appointment of a staff member may not be subject to any conditions of sex, marital status, race or religion. The appointment of a staff member is subject to his possession of full civil rights.
- 9** Engagement of a staff member shall be subject to a certificate from a doctor approved by EUMETSAT stating that the candidate has the requisite physical fitness for employment with EUMETSAT and for the duties of his post and that he is free from any defect or disease which would represent a risk to others.

## ARTICLE 5

### CONTRACTS

*Applicable from 02 Dec 2015 until today*

- 1 Two types of contracts may be awarded:
  - a) fixed term renewable 2 to 5 year contracts; a second or subsequent contract may be for any period of time up to a maximum duration of five years.
  - b) contracts of indefinite duration. Contracts of type b) can only take effect after at least nine years of service under contracts of type a). The Director-General may award indefinite contracts only in exceptional cases with Council's approval.
- 2 In a letter of appointment it shall be mentioned for which function the staff member has been recruited, the grade and step, the starting date, the effective incremental date, the duration of the contract and the salary and allowances, to which the staff member is entitled. The letter of appointment shall furthermore specify that the appointment is subject to the provisions of these rules including any amendments which may be made thereto.
- 3 The Director-General shall inform a staff member in writing nine months before the termination of the contract of the staff member concerned, or three months in case of an initial contract of two years' duration, whether or not he intends to offer him a further contract. However, if the second or subsequent contract is of nine months' duration, or less, the notification to inform the staff member in writing nine months before the termination of the contract may be waived by the mutual consent of the Director-General and the staff member concerned.
- 4 The age limit for service is sixty-five.

## ARTICLE 6

### ASSIGNMENT

*Applicable from 05 Dec 2001 until today*

- 1 The Director-General may transfer a staff member to fill a post other than that to which he is appointed. Functions and responsibilities related to this post must be of a comparable level to those of the post to which the staff member is appointed.
- 2 A staff member who is called upon to perform temporarily the duties of a staff member in a higher grade shall receive from the beginning of the third month of such temporary duties an allowance equal to twice the difference in the basic salary between the first and second step in his grade.
- 3 The duration of such temporary duties shall not exceed one year, except where, directly or indirectly, the posting is to replace a staff member who is seconded to another post in the interests of the service or absent on protracted leave

**ARTICLE 7****PROBATION**

*Applicable from 05 Dec 2001 until today*

- 1** A staff member shall serve a probationary period before his appointment may be confirmed. The period of probation shall be six months unless extended.
- 2** One month at the latest before the end of a staff member's period of probation, a report shall be made on his ability to discharge the duties incumbent upon him and on his efficiency and conduct in the service. This report shall be communicated to the staff member concerned who may submit any observations in writing.
- 3** On consideration of the report referred to in paragraph 2, the Director-General shall decide either to confirm the appointment of the staff member concerned, or to terminate his employment. Before the Director-General decides in the negative way, he shall hear the staff member concerned.
- 4** In exceptional cases, the Director-General may decide to extend the period of probation for a maximum of three months before reaching a final decision.
- 5** In cases of obvious unsuitability of a staff member on probation, a report may be drawn up before the end of the period provided for in paragraph 2. On consideration of this report, the Director-General may decide to terminate the employment of the staff member concerned, following the rule mentioned in the second sentence of paragraph 3, before the end of the period of probation.
- 6** A staff member who is dismissed during or on completion of his period of probation shall receive compensation equal to two months' basic salary if he has completed at least six months' service and to one months' basic salary if he has completed less than six months' service, unless he is offered a post in the same grade in EUMETSAT or he is appointed to a vacant post in another international organisation of a comparable remuneration or, if he is employed in the public service, he has been immediately reintegrated in his national, civil or military administration.
- 7** A staff member may submit his resignation at any time during his period of probation. It shall be accepted with effect from the date proposed by the staff member, which may not be later than the date on which the period of probation would normally have ended.

## **ARTICLE 8**

### **STAFF REPORT**

*Applicable from 01 Jul 2016 until today*

- 1** A report on staff members, with the exception of the Head of Financial Control and Internal Audit, shall be made by the Director-General or by the relevant Director of Department or Head of Division:
  - a) before the completion of their probationary period (see Article 7);
  - b) thereafter at least once every two years.
- 2** The report shall show the proficiency of the staff member concerned and shall include, when appropriate, proposals for advancement, transfer or termination of contract.
- 3** Before the ultimate signing of the report by the Director-General or by the relevant Director of Department or Head of Division, it should be communicated to the staff member concerned who may submit any observations in writing on the report and may ask for the report to be discussed.
- 4** A copy of the report shall be submitted to the staff member concerned if he so wishes.

**ARTICLE 9****PENSION SCHEMES AND RETIREMENT**

*Applicable from 27 Jun 2017 until today*

- 1** A staff member shall become eligible for a retirement pension at the age laid down in Annex VI.
- 2** The rights and obligations of a staff member in respect of his pension are laid down in Annex VI.
- 3** Pension rights shall continue to accrue to a staff member continuing to be employed after pensionable age, but his pension shall not exceed the maximum amount as mentioned in Annex VI.
- 4** If a staff member retires before pensionable age, payment of his retirement pension shall be deferred until he reaches that age.

However, a staff member who retires before pensionable age may request early payment of his pension at a reduced rate, provided he has reached the minimum age laid down in Annex VI.

- 5** A staff member found by the Invalidity Board to fulfil the requirements relating to permanent total invalidity laid down in Annex VI shall cease to perform his duties and shall receive an invalidity pension according to the provisions of Annex VI.
- 6** Chapter XII of Annex VI-A shall apply to staff members whose service began in one of the other Coordinated Organisations before 1 July 1974 and who took up duty at EUMETSAT on or after 1 July 2012.
- 7** “Pension Scheme” shall mean the 1986 Pension Scheme laid down in Annex VI-A or the 2011 Pension Scheme laid down in Annex VI-B, as applicable to the staff member concerned.

## **ARTICLE 10**

### **TERMINATION**

  - c) as a result of disciplinary action;
  - d) if the post which the staff member holds is eliminated.
  - e) if the staff member cannot be reinstated according to Article 34.10.

  - a) in respect of children in compulsory education up to completion of secondary level of education,
  - b) in respect of children at post-secondary level of education for studies carried out in the country of which the staff member or the child's other parent is a national or in the duty country. If duly justified by the staff member, for reasons of continuity in following an educational cycle or if educational costs are lower in a third country, an exception to this rule can be granted by the Director-General.

#### **2 Exceptions**

- i) By way of exception, staff members not qualifying under the terms of paragraph 1 above may request payment for education in any of the following situations:
  - a) subject to a decision of the Director-General, the allowance can be granted for education in the duty country, if no school or university corresponding to the child's educational cycle is available within 80 km distance from the official's duty station or home, or,
  - b) in the case of transfer or recruitment from another international organisation where the staff member was entitled to the education allowance, and a dependent child must, for imperative educational reasons, continue an educational cycle commenced prior to the date of transfer or recruitment other than for post-secondary level education and which is not part of the national educational system of the host country.

Entitlement to the education allowance resulting from the application of paragraph 2.i.b above, may not exceed the duration of the educational cycle.

- ii) The Director-General may decide whether to grant exceptionally the education allowance to staff who are not entitled to the expatriation allowance and who are not nationals of the duty country provided they were granted an education allowance or reimbursement of educational costs before their recruitment by EUMETSAT.

- 3 Entitlement to the education allowance shall start on the first day of the month during which the child begins to attend school and not earlier than the age corresponding to the compulsory age of education of the national system followed by the school. It shall finish when the child stops full-time studies, or not later than the end of the month in which the dependent child allowance or supplement will no longer be paid.
- 4 Unless otherwise stated production of bills, paid invoices or receipts will be required for the reimbursement of educational costs mentioned in paragraph 5 below, except if such items are included in a possible lump sum payment as defined in paragraph 7 and the Appendix.

## **II. Expenditure for Educational Purposes**

- 5 The following items of expenditure shall be taken into account for the reimbursement of educational costs:

- a) school or university registration fees;

Expenses on special courses and activities that are not normally part of the child's basic course of studies shall not be taken into account. Under no circumstances shall the cost of related equipment be reimbursed;

- c) examination fees;
- d) tuition fees for private lessons on condition that:
  - tuition is given in subjects which are not contained in the child's syllabus but are part of the compulsory national education programme of the country of which the staff member is a national, or
  - tuition is required to enable the child to adjust to the educational curriculum of the institution attended, or to enable the child to become familiar with the language spoken in the area in which the child lives if the education is given in another language.

In all these cases, tuition fees may be taken into account for an adjustment period of not more than two years;

- e) daily expenses on travel between the educational institution and home by public transport or school bus. Reduced fares must be taken into consideration. Where a private car is used or when no public transport or school bus is available, an amount equal to 10% of the dependent child's allowance or supplement shall be taken into account;

- g) purchase of school books and school uniforms on the basis of a lump sum equal to 5% of the annual dependent child allowance or supplement, whichever is applicable. For staff members receiving the education allowance on 1 September 2018, costs exceeding the lump sum may be reimbursed until their children have finished the educational cycle (primary, secondary, post-secondary) they were attending on that date. Reimbursement is conditional on the submission of bills, paid invoices or receipts, and sufficient proof that the additional expenditure was unavoidable..

In addition children under 18 years, whose educational establishment is more than 300 km away from the duty station, are entitled to reimbursement of 70% of the cost of two further round trips per year on condition that the amount of each trip does not exceed the equivalent percentage of the cost of a round trip between the duty station and the place approved for home leave. In both cases mentioned above, the home leave travel will replace one educational trip in the year when home leave is taken. It shall be reimbursed according to Article 23 of the Staff Rules.
- 9 No reimbursement of educational costs will be made unless admissible costs listed in paragraph 5 are higher than an amount equivalent to the annual expatriated child allowance. In those cases where reimbursement is made, the amount equivalent to the annual expatriated child allowance shall be deducted from the amount paid.
- 10 The amounts of any allowance received from other sources (scholarships, study grants, etc.) as well as other reimbursements of school costs from other sources for the education of the dependent child, shall be deducted from the expenditure incurred for education mentioned in paragraph 5 above.

At the end of the school year the staff member shall provide evidence of reimbursable expenditure during the school year in order to allow the final calculation of the reimbursement, according to provisions set out in paragraph 4 above.
- 12 The Director-General shall decide on the modalities of the reimbursement of the educational expenditures mentioned under paragraph 5 above.
- 13 The staff member shall inform the administration of any changes of circumstances which affect the entitlement to or the level of the reimbursement of educational costs and of any allowance (scholarships, study grants, etc.) and other reimbursements of educational costs, received from another source.

## **VII. Entry into Force**

- 19 The terms of application of the education allowance shall come into force at the beginning of the school year 2006/2007.

## **Appendix to Article 17**

Since Article 17.7 authorises Council to choose whether to reimburse part of the educational costs on a lump sum basis, this Appendix provides the rules to follow if such a decision is made.

- 1 It is stated in Article 17.7 that for the application of Article 17.6, Council may authorise the Director-General to reimburse educational costs, referring to Articles 17.5 c) to g), on a lump sum basis. In this case Council shall decide within the ceilings foreseen in Article 17.5 f) and Article 17.6, the rate of reimbursement and the lump sum applied. Thus where the Director-General considers that the administration of the education allowance will be simplified through the implementation of the lump sum approach and, where such implementation makes sense from an operational viewpoint, the Director-General may make a proposal on the modalities of this approach to Council.
- 2 Except in cases mentioned in Article 17.6 d), Council may authorise the Director-General to reimburse educational costs mentioned in Article 17.5 f) on the one hand and Articles 17.5 c), d), e) and g) on the other, on a lump sum basis. In case of doubt, the Director-General may decide, at the request of the staff members concerned, that they shall take their home leave in the capital of the State of which they are nationals.

- 10** Where spouses are both employed by EUMETSAT or where the spouse of a staff member is employed in the same country by another international organisation and both are entitled to home leave, such leave shall only be granted under the following conditions:
- if both have their home in the same country, they shall each be entitled to home leave once every two years in that country;
  - if they have their homes in two different countries, they shall be entitled to home leave in their respective countries once every two years;
  - the dependent children of these spouses and, as the case may be, the person accompanying the children, shall only be entitled to home leave once every two years; where the spouses have their homes in two different countries home leave can be taken in one or other of these countries.

## **ARTICLE 34**

### **SICK LEAVE AND TEMPORARY INCAPACITY**

*Applicable from 30 Jun 2020 until today*

#### **I. Sick leave**

- 1** A staff member who considers himself unable to carry out his duties by reason of sickness or accident must inform the Director of Administration as soon as possible. A staff member must spend periods of absence by reason of sickness or accident at his habitual residence established in accordance with Article 2.6 of these Rules, unless previously authorised otherwise. When a staff member resumes his duties after a period of absence, he shall inform the Director of Administration immediately.
- 2** A staff member on sick leave for more than three consecutive days may be required to produce a medical certificate.
- 3** Any staff member may at any time be required to undergo a medical examination by a medical doctor designated by the Director-General, at the expense of EUMETSAT.
- 4** A staff member shall be entitled to paid sick leave up to a maximum amount of nine months, either in one unbroken period or in several periods within two consecutive years. During such a period of paid sick leave, a staff member shall receive full remuneration and retain full rights to advancement to a higher step.

#### **II. Temporary Incapacity**

- 5** If, on the expiry of the maximum period of sick leave as defined in paragraph 4 above, the staff member is still unable to perform his duties due to sickness, he will enter into the status of temporary incapacity for a maximum period of twenty seven months.
- 6** During the first three months of his status of temporary incapacity, the staff member shall be entitled to his basic salary, during the following twelve months to 80 % of his basic salary, and during the last twelve months to 60 % of his basic salary or to 120% of the basic salary appropriate to grade C1, step 1, whichever is the greater. The staff member's entitlement to allowances and/or supplements shall be maintained throughout his status of temporary incapacity. However, any household allowance, expatriation allowance, rent allowance and language allowance shall be calculated on the basis of the basic salary

received. Any basic family allowance and additional dependent child supplement under Article 16.16(iii) shall be calculated on a pro-rata basis. Any dependants' allowance or dependants' supplement (except for the additional dependent child supplement under Article 16.16(iii)) and any education allowance shall remain payable in full.

- 7 A staff member who enters the status of temporary incapacity as a result of an accident that arose in the course of the performance of his duties or an occupational disease or a serious illness shall be entitled to his full remuneration throughout his status of temporary incapacity. Serious illness is a physical or mental illness that is of a particular severity or duration. A list of serious illnesses is established in the Staff Instructions.
- 8 In the event that the staff member is deemed fit to work part-time, the Director-General may request or authorise the staff member to work part-time while the staff member holds the status of temporary incapacity. In this case, Annex VII applies with the exception of Annex VII paragraph 2 and Annex VII paragraph 9 sentences 2 to 4. During this period, the staff member shall receive the remuneration as stated in paragraphs 6 and 7 above and additionally, with respect to his part-time work, his remuneration in accordance with Annex VII paragraphs 4 and 5. In any case, a staff member shall not receive more than the remuneration corresponding to his grade and step.
- 9 During full-time temporary incapacity, a staff member shall cease to be entitled to advancement, annual leave and home leave.
- 10 After a staff member has been on nine months of full-time temporary incapacity status, the Director-General may decide that the staff member's post falls vacant. In this case, when the staff member is deemed fit to resume his duties, he shall be reinstated in a vacant post carrying a grade not lower than that of the post he held immediately prior to the period of temporary incapacity. If no post corresponding to the staff member's grade is available, the staff member shall be reinstated in a post carrying a lower grade, subject to his consent. The staff member shall keep his previous grade and step upon reinstatement. Should reinstatement prove impossible because there is no vacant post that corresponds to the staff member's experience and qualifications, and should the staff member not agree to reinstatement in a post carrying a lower grade, the Director-General may terminate the contract.
- 11 The entitlements under paragraphs 6 and 7 above shall end:
  - (a) on the date on which the staff member is deemed fit to resume his duties, without prejudice to paragraph 8 above; or
  - (b) on expiry of the maximum period of temporary incapacity; or
  - (c) on the date as from which the staff member is assessed as suffering from permanent invalidity under Annex VI; or
  - (d) on separation from EUMETSAT,whichever of these events occurs first.

**ARTICLE 35****SPECIAL, MATERNITY, PATERNITY, PARENTAL AND ADOPTION LEAVE**

*Applicable from 27 Jun 2017 until today*

- 1 Special leave with pay, the duration of which is left to the discretion of the Director-General, taking into account particularly any necessary travelling, may be granted, in particular in the following cases and up to the following maximum number of working days:

<b>For important family reasons:</b>	
Marriage of a staff member:	5 days
Marriage of a child:	2 days
Death of a spouse or of a child:	5 days
Death of a parent:	4 days
Death of a brother, sister or grandparent:	2 days
Serious illness of a child, spouse, parent or grandparent:	5 days
<b>For personal reasons:</b>	
Examinations:	8 days
Household removal:	3 days
National elections or referenda in a staff member's home country:	1 day

- 2 Special leave with full or part pay, or without pay, may be granted by the Director-General for exceptional or urgent private reasons.
- 3 Unpaid leave taken by a staff member will affect correspondingly the date on which he may become entitled to his next annual increment and home leave due to him.
- 4 Maternity leave on full pay and not to be charged against sick or annual leave shall be granted to a staff member on production of an appropriate medical certificate. The maternity leave shall be for twenty weeks and can begin six weeks before the expected date of birth. Under no circumstances shall the maternity leave end before the end of the eighth week after the date of birth.
- 5 Paternity leave on full pay shall be granted to a staff member after the birth of his child. Paternity leave shall be 10 working days. In the event of multiple births, two additional days shall be granted. In the event of birth of a disabled child or of a child with a serious illness, five additional working days shall be granted.

- 6 A staff member who has served in the Organisation for at least one year shall be entitled to a maximum of four months of parental leave until his child's seventh birthday. If the staff member's child is disabled or has a serious long-term illness, parental leave may be taken until the child's sixteenth birthday.

A staff member shall be entitled to one parental leave per pregnancy, whether of one or multiple children. In the event of multiple births where one or more of the children are disabled or have a serious long-term illness, a staff member shall exceptionally be entitled to two parental leaves.

A staff member on parental leave shall not receive his basic salary. During the first two months of parental leave, a staff member shall be entitled to a "parental leave allowance" equal to 30 per cent of his full time basic salary or, in the case of a staff member working part-time before going on parental leave, his theoretical full time basic salary. The parental leave allowance shall cease to be payable during the last two months of parental leave. Allowances to which the staff member is entitled shall remain payable throughout parental leave.

Where both parents are EUMETSAT staff members, one parent may transfer a maximum of three months of his parental leave to the other parent. Of these three months, only one month of parental leave allowance entitlement may be transferred.

The staff member and the Organisation shall pay their respective contributions to the social security system and Pension Scheme during parental leave. For the purpose of calculating the personal contributions of the staff member on parental leave, the basic salary immediately before the start of the parental leave period serves as calculation basis, including any evolution thereof due to subsequent adjustments and advancement.

A staff member shall retain full rights to his post and of advancement to a higher step but shall not accrue annual leave entitlement during parental leave. The period of service entitling to home leave shall be extended by the period of parental leave taken.

- 7 Article 35.4 on maternity leave shall apply by analogy to a staff member who adopts one or more children and is the principal caregiver.

Article 35.5 on paternity leave shall apply by analogy to a staff member who adopts one or more children and is not the principal caregiver.

A staff member who adopts a child shall be entitled to parental leave in accordance with Article 35.6.

For the purposes of adoption leave, references in the Staff Rules to "birth" and "pregnancy" shall mean "adoption", and "multiple births" shall mean "adoption of more than one child in one adoption procedure".

## **CHAPTER VII DISCIPLINARY MEASURES**

### **ARTICLE 36 DISCIPLINARY MEASURES**

*Applicable from 04 Jul 2018 until today*

- 1** Failure by staff members to comply with their obligations under these Staff Rules or under the Instructions and Policies adopted by the Director-General in application thereof, whether intentional or through negligence on their part, may constitute an act of misconduct liable to disciplinary action, noting that finance officers are liable in the cases mentioned in Article 24 of the Financial Rules.
- 2** Disciplinary measures may be taken by the Director-General against a staff member guilty of misconduct. The Director-General and the Head of Financial Control and Internal Audit are subject to the authority of the Council as regards disciplinary measures.
- 3** A disciplinary measure must be proportionate to the gravity of the misconduct sanctioned. To determine the gravity of misconduct, account shall be taken in particular of:
  - a) the nature of the misconduct and the circumstances in which it occurred;
  - b) the harm caused or that could have been caused to EUMETSAT, its staff or any third party;
  - c) the motives for the misconduct;
  - d) whether the misconduct involves acts or conduct repeated over time;
  - e) whether the misconduct was committed through a deliberate act or through negligence;
  - f) the level of responsibility and record of service within the Organisation of the staff member concerned.
- 4** Disciplinary measures include:
  - a) oral warning;
  - b) written censure;
  - c) deduction from basic salary in the case of misconduct causing loss to EUMETSAT or damage to its property;
  - d) suspension from duties, in principle without pay;
  - f) reassignment of duties and responsibilities, including through transfer to a post carrying the same or a lower grade;
  - g) dismissal.
- 5** When a proposal is made that a disciplinary measure other than an oral warning or a written censure be taken against a staff member, he shall be notified immediately in writing. Such notification shall be accompanied by the documents relating to the grounds of the complaint against him. The staff member concerned may submit his comments in writing within four weeks.

- 6** When a proposal is made that a disciplinary measure other than an oral warning or a written censure be taken against a staff member, the case shall be referred to the Disciplinary Board for advisory opinion to the Director-General. The composition and functioning of the Disciplinary Board shall be laid down in Staff Instructions.
- 7** If the Director-General considers that allegations against a staff member are *prima facie* well founded and that the staff member's continuance in office would prejudice EUMETSAT, the staff member concerned may be immediately suspended from his duties pending inquiry or until completion of the disciplinary procedure, with full pay, at the discretion of the Director-General.
- 8** No disciplinary measure except for an oral warning may be taken without having given the staff member concerned the opportunity to defend his cause before the Director-General in person. The staff member shall be entitled to be assisted and accompanied throughout the disciplinary procedure by a staff member of his choice.
- 9** No disciplinary measure may be taken after expiry of a period of six weeks after a proposal has been made to the Director-General that a disciplinary measure be taken against a staff member.
- 10** All sanctions shall be notified to the staff member in writing with the reasons therefore and shall be signed by the Director-General.
- 11** Disciplinary measures except for dismissal shall be systematically deleted from the personal administrative file after five years, and after three years for oral warnings and written censures.

## **CHAPTER VIII**

#### **ARTICLE 37**

##### **COMPLAINTS PROCEDURES**

*Applicable from 05 Dec 2001 until today*

- 1 A staff member who has a direct and existing interest in so doing may submit to the Director-General a complaint against an administrative act adversely affecting him.
- 2 The complaint must be made in writing and lodged via the Director of Administration within 20 days from the date of publication or notification of the act concerned. The Director-General may declare admissible a complaint lodged after the expiry of this period in exceptional cases. The Director of Administration shall acknowledge receipt of the complaint. The Director-General shall give a reasoned decision on the complaint as soon as possible and shall notify the complainant not later than 20 days from the date of its receipt.
- 3 The absence of a reply to the complaint within that period shall be deemed an implicit decision rejecting the complaint.
- 4 The complaints procedure shall be open mutatis mutandis to former staff members and to persons claiming through staff members or former staff members within one year from the date of the act complained of; in the event of individual notification the normal time limit shall apply.
- 5 A complaint shall not have a suspensive effect. The Director-General may however, for duly justified reasons, stay the execution of the act.
- 6 In the event of either explicit rejection or implicit rejection of a complaint, the complainant may appeal to the Appeals Board set up under Article 38.

**ARTICLE 38****APPEALS BOARD**

*Applicable from 01 Jan 2020 until today*

- 2 The Appeals Board shall have authority to settle disputes arising out of these Staff Rules or of the contracts provided for in Article 5. To this end, it shall have jurisdiction with regard to appeals brought by staff members or by former staff members or by their heirs and assigns against a decision of the Director-General. It shall not have jurisdiction over disputes arising in relation to the alleged unauthorised processing, accidental loss, destruction or damage of personal data, for which the Personal Data Protection Supervisory Authority has been established as a separate and independent review mechanism.
- 3 The Appeals Board shall only act provided that the claimant followed the complaints procedure beforehand.
- 4 The Appeals Board shall be composed of a Chairperson and two further members. They may be replaced by deputies. During a session of the Board at least two of the members or deputies present must have legal qualifications.
- 5 The Chairperson, his/her deputy, the members of the Board and their deputies shall be appointed by the Council from a list proposed by the Director-General composed of candidates independent from EUMETSAT for a period of three years. This period may be extended. If any one of these is at any time unable to continue to serve, a new appointment shall be made for the unexpired term.
- 6 No meeting of the Appeals Board is in order unless the three members referred to in this Article, or their deputies, are present.
- 7 The members of the Board shall be fully independent in the exercise of their duties.
- 8 The emoluments of the Chairperson, members and deputies shall be fixed by the Council. These emoluments shall consist of the reimbursement, in accordance with Article 26 of the Staff Rules, of travel expenses, a daily subsistence allowance and a daily fee.
- 9 The secretary of the Board shall be appointed by the Director-General in agreement with the Chairperson of the Council and shall be a staff member of EUMETSAT.
- 10 In the exercise of his duties, the secretary shall be subject only to the authority of the Board.
- 11 The conditions under which appeals may be made and the procedure are laid down in Annex VIII of these Rules.

The Staff Committee may bring to the notice of the Director-General, and the Director-General should likewise refer to the Staff Committee, any question of a general nature affecting the interests of the staff members or arising out of these Rules, including questions arising out of their application in individual cases.
- 5** The Staff Committee may communicate to the Council or its subordinate bodies in writing any proposal or opinion regarding matters affecting the social, financial or professional interests of all or part of the staff members and dealt with in meetings of these Bodies. The communications in question shall be transmitted through the Director-General, who shall immediately forward them to the Body concerned.

If the lack of efficiency is such as to render the staff member unsuitable for advancement, the Director-General may withhold advancement for a fixed period of time. ### **III. KILOMETRIC ALLOWANCE**

*Applicable from 27 June 2017 until today*

#### **1 Entitlement to the allowance**

A staff member who is authorised to use a private car for duty travel, in accordance with the provisions of the Staff Rules, shall be entitled to a kilometric allowance under the conditions defined in paragraph 2 below. The allowance to be paid to the staff member shall be calculated on the basis of the rate applying in the country where the staff member is posted, irrespective of the country or countries where the travel takes place.

#### **2 Conditions for granting the allowance**

##### **i) *Use of a private car in the interests of the Organisation***

- a) Staff members may be authorised to travel by private car in the interest of EUMETSAT. In such cases they shall be entitled to a kilometric allowance calculated on the basis of the shortest usual route.
- b) The allowance shall be paid on the basis of the rate applicable to the country of headquarters of EUMETSAT, irrespective of the country or countries where the travel takes place, as defined in the table below.

##### **ii) *Use of a private car for personal convenience***

- a) Staff members travelling in private cars for their personal convenience with EUMETSAT's permission shall be entitled to the kilometric allowance. The total payment to them for the journey shall in no case, however, exceed the cost which would have been incurred had appropriate public transport by the shortest usual route (with no allowance for additional charges or reductions) been used. For the purposes of this provision, the cost of appropriate public transport shall be:

  - for all other journeys, the fare for air travel.
- b) Staff members shall not be entitled to a daily subsistence allowance for any period in excess of the length of the journey corresponding to the use of the mode of transport on which the payment for travel expenses is based as set out under paragraph 2) ii) a) above.
- c) Furthermore, any period exceeding the length of the journey corresponding to the use of the mode of transport retained as the basis for the reimbursement provided for in paragraph 2) ii) a) above shall be deducted from the staff member's annual leave.

**3 Amounts of the allowance for passengers**

If the staff member has been authorised to carry passengers, he shall be paid an additional kilometric allowance equal to:

- for the first passenger, 10% of the rate for the kilometric allowance;
- for each additional passenger, 8% of the rate for the kilometric allowance.

**4 Ancillary expenditure**

If the shortest usual route followed involves special charges (such as tolls, transport of the car by a car ferry), such charges shall be reimbursed upon submission of receipts.

**5 Insurance**

It is the staff member's responsibility to ensure he has the necessary insurance when using his own car, in particular an insurance policy covering third party risks and risks to passengers. In the event of an accident, EUMETSAT will not refund the cost of any damage to property.

## **CHAPTER VI**

### **PARTIAL INVALIDITY**

#### **ARTICLE 13**

##### **PARTIAL INVALIDITY BENEFITS**

*Applicable from 04 July 2018 until today*

- 1** Partial invalidity is a permanent invalidity which prevents a staff member by less than two-thirds from performing his job or any duties corresponding to his experience and qualifications which may have been proposed to him by the Organisation.
- 2** A partial invalidity benefit shall be payable to a staff member in accordance with the terms of an insurance contract concluded by EUMETSAT. Unless the partial invalidity results from an occupational accident or occupational disease or a serious illness, the partial invalidity benefit is payable only if the partial invalidity is found at a level of at least one third.

The partial invalidity benefit shall be proportionate to the level of invalidity. A theoretical maximum benefit of 50% of the staff member's monthly emoluments is attributed to a level of invalidity of two-thirds. This percentage is proportionally reduced for lower levels of invalidity. The term emoluments encompasses salary, allowances except the rent allowance, supplements and the employer's share of pension and social security contributions and refers to those received prior to being recognised as suffering from partial invalidity, not taking into account a reduction resulting from a preceding status of temporary incapacity under Article 34 Staff Rules.

- 3** In addition to the partial invalidity benefit, the staff member shall receive the remuneration corresponding to his grade and step in the ratio of the hours worked in accordance with Annex VII Staff Rules, with the exception of paragraphs 2 and 10 of Annex VII. Unless the invalidity was caused by an occupational disease or occupational accident or a serious illness, the partial invalidity benefit and the part-time remuneration shall not exceed the full remuneration corresponding to the staff member's grade and step.
- 4** Staff members who continue working at EUMETSAT after being recognised to be suffering from partial invalidity shall be entitled to the social security benefits referred to in Article 28 Staff Rules and shall be subject to the pension contributions referred to in Article 41 Annex VI-A and VI-B Staff Rules, as applicable. For the part that is worked, the staff member shall pay his share and EUMETSAT shall pay its **share of the** contributions, calculated on the basis of the time worked. For the part that is not worked, the staff member shall pay his share and EUMETSAT's share, calculated on the basis of the partial invalidity benefit.
- 5** The partial invalidity benefit shall be indexed annually in the same manner as EUMETSAT salaries are adjusted; it may also be revised upwards or downwards according to changes in the level of invalidity. The medical status of the staff member in receipt of the partial invalidity benefit shall be re-examined periodically, at least every five years.

- 6** Entitlement to a partial invalidity benefit shall commence on the first day of the month following the date of the beginning of the partial invalidity.

Entitlement shall terminate:

- when the staff member ceases to satisfy the conditions for entitlement to the partial invalidity benefit,
  - when the staff member reaches the age limit for service,
  - at the end of the month in which the staff member dies,
- whichever of these events occurs first.

- i) pursuant to Article 11;
  - ii) in respect of his Provident Fund Holding, within the limits stated in Article 44.2;

plus compound interest on such amounts at 4% per annum from the date when the staff member received them until the date when they are paid over in accordance with this paragraph.

Should the staff member fail to pay over the amounts in question, reckonable years of service shall count only as from the new appointment.

- 2** Where a staff member appointed by the Organisation was previously receiving a retirement pension in respect of service with one of the Organisations listed in Article 1, payment of that pension shall cease.

If the staff member refunds to the Organisation offering him a new appointment the pension payments he has received, the provisions of Article 4 shall apply on cessation of his new appointment.

If he does not make this refund, the years of service for which credit was acquired in the employment that originally entitled him to payment of the discontinued retirement pension shall be taken into account in the calculation of the retirement pension due on cessation of his new employment by reference to the salary for his last grading in such previous employment; moreover, that part of the final pension figure shall be abated by 5% for each whole year during which the staff member drew the initial pension before reaching pensionable age as laid down in Article 8.1.

- 3** Where a staff member ceases his functions at a grade or step lower than that which he had previously held in the Organisation or in a previous Organisation listed in Article 1, his entitlement to benefits under these Rules shall be determined by taking into account the total of his reckonable years of service and the benefits shall be calculated on the basis of the salary for the highest grading held by him. However, a reduction shall be made in the number of years of service to be credited to him in respect of time served at a lower grade or step after having held the grade by reference to which benefits are calculated; this reduction shall be proportionate to the difference between the said gradings.

<sup>2</sup> Insofar as the Pension Scheme set up by the present Rules is made applicable to staff members of the European Union Institute for Security Studies and Satellite Centre, Agencies of the European Union and previously of the WEU, a Member organisation of Co-ordination from the outset, such staff members shall benefit from the provisions of the present Article and of the other provisions of the Rules referring to Article 1.

- 4 For the implementation of paragraphs 2 and 3 above, salaries shall be taken into account in accordance with the scales in force when the final pension assessment is made.
- 5 The crediting of the periods referred to in Article 4.1 ii) shall be conditional on:
- i) the staff member submitting an application to that effect no later than six months after confirmation of his appointment as a staff member; the application shall specify the periods of service with which the staff member wishes to be credited;
  - ii) the Organisation giving its agreement;
  - iii) the staff member paying, for each month of service with which he is to be credited, the contribution provided for in Article 41 calculated on the basis of his first monthly salary as a staff member.

- 6 A staff member appointed by EUMETSAT before 1 January 1991 having previously served as a staff member of ESA shall be granted benefits under the terms of Article 4 in respect of ESA service as follows:

- i) ESA service less than 10 years

Granted benefits shall be conditional upon his paying over to EUMETSAT no later than 30 June 1996 the amounts paid to him on leaving ESA service pursuant to Article 11, plus compound interest on such amounts at the rate of 4% per annum from the date when the staff member received them until the date when they are paid over in accordance with this paragraph. The benefit granted shall be the number of years and months of ESA service to which the payment made pursuant to Article 11 relates.

- ii) ESA service 10 years and above

The benefit granted shall be the amount of additional pension necessary to increase the deferred pension in respect of ESA service to that which would be payable on the basis of the grade and step on leaving EUMETSAT as defined in Article 10.

A staff member appointed by EUMETSAT between 1 January 1991 and 1 July 2012 and having previous pensionable service with ESA shall be entitled to inward transfer of pension rights only in accordance with the provisions of Article 12.

**ARTICLE 6**  
**RECKONABLE YEARS OF SERVICE**

*Applicable from 06 Jul 2012 until today*

- 1** The benefits provided for under these Rules shall be calculated by reference to reckonable years of service consisting of:
  - i) service calculated in accordance with the provisions of Articles 4 and 5;
  - ii) service credited in accordance with Article 12.1.
- 2** Incomplete years of reckonable service shall be taken into account on the basis of one-twelfth of a year for each whole month of service. For benefit calculation purposes, the period remaining shall be treated as a whole month if it is equal to or more than fifteen days.

However, the period remaining shall not be taken into account for the purpose of calculating the ten years of service required for entitlement to the retirement pension provided for in Article 7.

- 3** In the case of part-time work:
  - i) reckonable years of service shall be calculated in accordance with the ratio between the working hours corresponding to part-time service and the official number of hours for full-time work in the Organisation.
  - ii) however, reckonable years of service shall not be reduced when the staff member authorised to work part-time has contributed to the Pension Scheme on the basis of full-time work, by paying, in addition to his personal contribution to the Pension Scheme for the part corresponding to his part-time work, a contribution equal to three times the rate of contribution mentioned in Article 41.4 on the difference in salary between his part-time work and the corresponding full-time work, under the provisions laid down by Instruction.

**ARTICLE 6 bis**  
**PART-TIME SERVICE**  
**EFFECTS ON THE CALCULATION OF ENTITLEMENT**

*Applicable from 06 Jul 2012 until today*

- 1** Where at the time of termination of his service a staff member was working part-time, the salary taken into account in calculating his pension entitlement shall be that payable for full-time work at his grade and step as provided in these Rules.
- 2** However, when a staff member terminating his service in the circumstances described in paragraph 1 above had been recruited to serve on a part-time basis, or authorised to work part-time for an indefinite period or for a fixed term renewable by tacit agreement and if the provisions of Article 6.3 ii) are not applied, the rate of the invalidity pension provided for in Article 14.2, and the minimum and maximum amounts that apply, shall be set in accordance with the provisions laid down by Instruction.

**ARTICLE 10**  
**RATE OF PENSION**

*Applicable from 25 Jun 2003 until today*

- 1 The amount of the retirement pension shall be, per reckonable year of service within the meaning of Article 6, 2% of the salary corresponding to the last grade held by the staff member for not less than one year before cessation of his appointment and the last step held in that grade.

- 3 The amount of the retirement pension shall not be less than 4% of the salary for grade C1, step 1, per reckonable year of service credited pursuant to Article 6; it may not, however, exceed the staff member's last salary as defined in Article 3.

**SECTION 2: LEAVING ALLOWANCE**

**ARTICLE 11**  
**LEAVING ALLOWANCE**

*Applicable from 01 Jul 2010 until today*

- 1 A staff member whose service ceases otherwise than by reason of death or invalidity and who is not entitled to a retirement pension or to the benefit of the provisions of Article 12.2 shall be entitled on leaving to a payment of:
  - i) the aggregate amount deducted from his salary in respect of his pension contribution, together with compound interest at the rate of 4% per annum;
  - ii) an allowance equal to one month and a half of his last salary multiplied by the number of reckonable years of service credited within the meaning of Article 6\*;
  - iii) one-third of the amounts paid to the Organisation under the provisions of Article 12.1 together with compound interest at the rate of 4% per annum. Should, however, the whole of these amounts have to be refunded to his previous employer, the reckonable years of service corresponding to those amounts shall be disregarded in the calculation of the leaving allowance.

\* see Article 33..7

- 2 A staff member who is re-appointed by the Organisation after having received a leaving allowance must pay it back if the period during which he was not employed by the Organisation, in whatever capacity, is less than twelve months.

### **SECTION 3: INWARD AND OUTWARD TRANSFER OF PENSION RIGHTS**

#### **ARTICLE 12 INWARD AND OUTWARD TRANSFER OF PENSION RIGHTS**

*Applicable from 06 Jul 2012 until today*

- 1 A staff member who enters the service of the Organisation after leaving the service of a government administration or national organisation, or international organisation not listed in Article 1 or a firm, may arrange for payment to the Organisation in accordance with the provisions laid down by Instruction, of any amounts corresponding to the retirement pension rights accrued under the pension scheme to which he was previously affiliated in so far as that scheme allows such a transfer.  
  
In such cases, the Organisation shall determine, by reference to the provisions laid down by Instructions, the number of years of reckonable service with which the staff member shall be credited under its own Pension Scheme.
- 2 A staff member who leaves the service of the Organisation to enter the service of a government administration or national organisation, or international organisation not listed in Article 1, which has entered into an agreement with the Organisation, shall be entitled to transfer to the pension fund of that administration or organisation:
  - i) either the actuarial equivalent of his retirement pension rights accrued under these Rules, such equivalent being calculated in accordance with the provisions laid down by Instruction;
  - ii) or, in the absence of such rights, the amounts provided under Article 11.
- 3 If, as a result of a staff member's transfer from one Organisation listed in Article 1 to another, the leaving allowance is paid by an Organisation other than that which received the amounts referred to in paragraph 1 above, Article 11.1.iii shall apply as if the Organisation responsible for paying the leaving allowance had received the amounts referred to.

### **CHAPTER III INVALIDITY PENSION**

#### **ARTICLE 13 CONDITIONS OF ENTITLEMENT - INVALIDITY BOARD**

*Applicable from 06 Jul 2012 until today*

- 1** Subject to the provisions of Article 2, an invalidity pension shall be payable to a staff member who is under the age limit laid down in the Staff Rules and who, at any time during the period in which pension rights are accruing to him, is recognised by the Invalidity Board defined below to be suffering from permanent invalidity which totally prevents him from performing his job or any duties corresponding to his experience and qualifications which may have been proposed to him by the Organisation.
- 2** The Invalidity Board shall consist of three medical practitioners, the first two being appointed by the Organisation and the staff member concerned, respectively, and the third one selected jointly by the first two. Cases shall be submitted to it by the Organisation either on its own initiative or at the request of the staff member concerned

#### **ARTICLE 14 RATE OF PENSION**

*Applicable from 01 Jul 2010 until today*

- 1** Subject to the provisions of Article 5.3, the invalidity pension shall be equal to the retirement pension to which the staff member would have been entitled at the age limit laid down in the Staff Rules if he had continued to serve until that age, the requirement for a minimum of ten years' service under Article 7 not being applicable.
- 2** However, where the invalidity arises from an accident in the course of the performance of his duties, from an occupational disease, from a public-spirited act or from risking his life to save another human being, the invalidity pension shall be 70% of his salary. In the event of invalidity resulting from a cause other than these, the invalidity pension provided for in this paragraph may not be less than the invalidity pension which would be payable under paragraph 1 of this Article.
- 3** The salary used as a basis for the calculation of the invalidity pension referred to in paragraphs 1 and 2 above shall be the salary for the grade and step held by the staff member in accordance with the scales in force at the date laid down in Article 17.1.
- 4** The invalidity pension shall not be less than 120% of the salary for grade C1, step 1, but may not be more than the last salary, such salaries being those which appear in the scales in force at the date laid down in Article 17.1 subject to any adjustments provided for in Article 36.
- 5** In the case of invalidity deliberately brought about by the staff member, the Organisation shall decide whether he should receive an invalidity pension or only a retirement pension or a leaving allowance, depending on his length of effective service.

**ARTICLE 15**  
**CONCURRENT EARNINGS**

*Applicable from 01 Jul 2010 until today*

- 1 Where a person in receipt of an invalidity pension is nevertheless gainfully employed, this pension shall be reduced by the amount by which his pension together with the remuneration he receives for the said employment exceeds the salary for the highest step in the grade he held at the time of his being recognised an invalid.
- 2 This reduction shall apply only up to the age limit laid down in the Staff Rules.

**ARTICLE 16**  
**MEDICAL EXAMINATION - TERMINATION OF PENSION**

*Applicable from 01 Jul 2010 until today*

- 1 While a person receiving an invalidity pension is still under the age limit laid down in the Staff Rules, the Organisation may have him medically examined periodically to ascertain that he still satisfies the conditions for entitlement to such pension, in particular having regard to any new duties corresponding to his experience and qualifications which may have been proposed to him by the Organisation.
- 2 When a person receiving an invalidity pension who has not reached the said age limit ceases to satisfy the conditions for entitlement to the invalidity pension, the Organisation shall terminate that pension.
- 3 The time during which the person concerned has received his invalidity pension shall then be reckoned, without payment of back contributions, for the calculation of the leaving allowance or retirement pension, as the case may be.

**ARTICLE 17**  
**COMMENCEMENT AND CESSATION OF ENTITLEMENT**

*Applicable from 01 Jan 2020 until today*

- 1** Entitlement to an invalidity pension shall commence on the first day of the month following the date of the beginning of the invalidity as recognised by the Invalidity Board.
- 2** Subject to the application of Article 16.2:
  - i) the invalidity pension payable under Article 14.2 shall be paid for life;
  - ii) in other cases, entitlement to an invalidity pension shall terminate:
    - either at the age limit laid down in the Staff Rules; or,
    - at the end of the month in which the recipient of such a pension dies.

Where the invalidity pension terminates because the person concerned has reached the age limit laid down in the Staff Rules, he shall, notwithstanding the ten-year minimum requirement provided for in Article 7, be entitled to a retirement pension calculated as follows:

- reckonable years of service shall be calculated as if he had remained in service until the age limit laid down in the Staff Rules;
  - the reference salary shall be that of his grade and step at the time of his being recognised an invalid, updated in accordance with Article 36.
- 3** Invalidity pensions assessed before 25 June 2003, whatever the cause of the invalidity, shall be paid for life.

**CHAPTER IV**  
**SURVIVOR'S AND REVERSION PENSIONS**

**ARTICLE 18**  
**CONDITIONS OF ENTITLEMENT**

*Applicable from 16 Nov 2012 until today*

- 1** The surviving spouse\* of a staff member who died in service shall be entitled to a survivor's pension, provided they had been married to each other for at least one year at the time of the staff member's death, unless the death resulted either from disablement or illness contracted in the performance of his duties, or from an accident.
- 2** A reversion pension shall be payable to the surviving spouse:
  - i) of a former staff member receiving an invalidity pension, if they were married to each other for at least one year at the time of his being recognised an invalid; this condition of anteriority shall not apply if the marriage had existed for at least five years at the time of the former staff member's death, or if the death resulted either from disablement or illness contracted in the performance of his duties, or from an accident;
  - ii) of a former staff member receiving a retirement pension, if they had been married to each other for at least one year at the time when the former staff member's appointment ceased; this condition of anteriority shall not apply if the marriage had existed for at least five years at the time of the former staff member's death; or
  - iii) of a former staff member entitled to a deferred pension, if they had been married to each other for at least one year at the time when the former staff member's appointment ceased; this condition of anteriority shall not apply if the marriage had existed for at least five years at the time of his death.
- 3** The above-prescribed conditions of anteriority or minimum duration of marriage shall not apply where there are one or more children of the marriage or of a marriage of the staff member contracted prior to the cessation of his appointment, inasmuch as the non-remarried surviving spouse is providing for their needs; in such case, the survivor's or reversion pension shall be payable, under the derogation provided for in the present paragraph, for so long as the children are actually being so provided for.

When they are no longer being so provided for, the survivor's or reversion pension shall nonetheless continue to be payable for so long as the surviving spouse does not have an income of his own from the exercise of any occupation, or from any retirement pension or other survivor's or reversion pension, equal to at least the amount of the survivor's or reversion pension from the Organisation.

- 4** Entitlement to a survivor's or reversion pension shall be subject to the provisions of Article 2.

\* Wherever it occurs in these Rules, the expression “surviving spouse” applies indifferently to the wife or husband of the deceased staff member.

**ARTICLE 19**  
**RATE OF PENSION**

*Applicable from 01 Jan 2020 until today*

- 1** Survivor's and reversion pensions shall be 60% of:
  - i) the retirement pension that would have been payable to the staff member, had he not died in service, on the basis of his reckonable years of service credited up to the time of his death, the requirement for a minimum of ten years' service under the provisions of Article 7 not being applicable;
  - ii) the deferred retirement pension that would have been paid to the former staff member at pensionable age as laid down in Article 8.1;
  - iii) the invalidity pension, updated in accordance with the provisions of Article 36, that was actually being paid to the former staff member at the time of his death, no account being taken of any reductions under Article 15;
  - iv) the retirement pension, updated in accordance with the provisions of Article 36, that was actually being paid to the former staff member at the time of his death, no account being taken of any reductions under Article 8.4
- 2** Where a staff member has died as a result of an accident in the course of the performance of his duties, from an occupational disease, from a public-spirited act or from risking his life to save another human being, the survivor's pension shall be 60% of the invalidity pension to which the staff member would have been entitled under Article 14.2 had he survived.
- 3** The survivor's or reversion pension shall not be less than 35% of the staff member's last salary; nor shall it be less than 100% of the salary for grade C1, step 1. The said pensions shall be updated in accordance with the provisions of Article 36.
- 4** However, the reversion pension shall not exceed the amount of the former staff member's own pension in the cases covered by paragraph 1 ii), iii) and iv) above, nor the amount of the pension to which the former staff member would have been entitled had he reached the age limit laid down in the Staff Rules at the time of his death.

**ARTICLE 20**  
**REDUCTION FOR DIFFERENCE IN AGE**

*Applicable from 06 Jul 2012 until today*

Where the difference in age between the deceased staff member or former staff member and his younger surviving spouse and/or former spouse, less the length of time they have been married, is more than ten years, the survivor's or reversion pension, calculated in accordance with the preceding provisions, shall be subject to a reduction, per year of difference, amounting to:

- 1% for the years between ten and twenty, but not including twenty;
- 2% for the years twenty up to, but not including, twenty-five;
- 3% for the years twenty-five up to, but not including, thirty;
- 4% for the years thirty up to, but not including, thirty-five;
- 5% for the years from thirty-five upwards.

**ARTICLE 21**  
**REMARRIAGE**

*Applicable from 16 Nov 2012 until today*

- 1** Entitlement to a survivor's or reversion pension shall cease on remarriage. The survivor shall be entitled to immediate payment of a capital sum equal to twice the annual amount of the pension, if there are no dependent children to whom the provisions of Article 25.4 apply.
- 2** The capital sum paid to the ex-spouse shall not be more than the amount to which he could still be entitled under Article 22.1.

**ARTICLE 22**  
**RIGHTS OF A FORMER SPOUSE**

*Applicable from 16 Nov 2012 until today*

- 1** The non-remarried former spouse of a staff member or former staff member shall, on the latter's death, be entitled to a survivor's or reversion pension, provided that the staff member or former staff member was, at the time of his death and by virtue of a court decision which has become final and binding, under an obligation to pay maintenance or compensation to the former spouse in a personal capacity; but the survivor's or reversion pension shall not exceed the amount of such payment nor the payment duration foreseen in such court decision.

This entitlement shall not arise if the former spouse remarried before the staff member or former staff member died. If remarriage takes place after the staff member's or former staff member's death and while the conditions laid down in the sub-paragraph above are still fulfilled, the provisions of Article 21 shall apply.

- 2** Where a staff member or former staff member dies leaving both a spouse entitled to a survivor's or reversion pension and a non-remarried former spouse fulfilling the conditions laid down in paragraph 1 above, the whole of the survivor's or reversion pension shall be divided between the before-mentioned persons in proportion to the duration of their marriages.

The amount to which a non-remarried former spouse is entitled shall, however, not be more than the amount of maintenance or compensation payable at the time of the death of the staff member or former staff member.

- 3** Where one of the persons entitled to a survivor's or reversion pension renounces his share, ceases to satisfy the conditions of entitlement or forfeits his rights under Article 35, or where the amount of his pension has been restricted under the terms of the second sub-paragraph of paragraph 2 above, his share shall accrue to the share of the other person, except where pension rights revert to orphans, as provided under the last sub-paragraph of Article 25.3. In such a case, the restriction laid down in the second sub paragraph of paragraph 2 above shall apply.

- 4** Reductions in respect of difference in age as provided for in Article 20 shall be applied separately to survivors' and reversion pensions calculated in accordance with the present Article.

**ARTICLE 23**  
**COMMENCEMENT AND CESSATION OF ENTITLEMENT**

*Applicable from 06 Jul 2012 until today*

- 1** Entitlement to a survivor's or reversion pension shall commence from the first day of the month following that in which the staff member or former staff member died. If the salary of a staff member who died in service continues to be paid to a surviving spouse or former spouse directly and in full, under the Staff Rules of the Organisation, payment of the pension to the person concerned shall be deferred accordingly.
- 2** Entitlement to a survivor's or reversion pension shall cease at the end of the month in which the recipient of the pension dies or ceases to satisfy the conditions for entitlement to that pension.

- 2** The legitimate, natural or adopted children of a staff member or former staff member who has died shall be entitled to an orphan’s pension:
  - i) when the deceased or his household provided their main and continuing support at the time of death; and
  - ii) when they satisfy the conditions of age, education or handicap required for the granting of the allowance for a dependent child.

The legitimate or natural children of a deceased staff member or former staff member who were born not more than 300 days after his death shall also be entitled to an orphan’s pension.

- 3** Where there are one or more persons entitled to a survivor’s or reversion pension, the amount of the orphan’s pension shall correspond to the higher of the following amounts:
  - i) 40% of the survivor’s or reversion pension, no account being taken of reductions pursuant to Article 20; or
  - ii) 50% of the salary for grade C1, step 1, according to the scale in force when the former staff member’s pension was assessed, this amount being updated in accordance with the provisions of Article 36, or, if he was not receiving a retirement or invalidity pension, according to the scale in force at the time of death.

The orphan’s pension shall be increased, in respect of the second and every further beneficiary, by an amount equal to the allowance for a dependent child.

The orphan’s pension shall be brought up to the level provided for in paragraph 4 below in the event of the beneficiaries of a survivor’s or reversion pension dying or remarrying or losing their right to that pension.

- 4 Where there are no beneficiaries of a survivor's or reversion pension, the orphan's pension shall correspond to the higher of the following amounts:

The orphan's pension shall be increased, in respect of the second and every further beneficiary, by an amount equal to twice the allowance for a dependent child.

- 5 The total amount of the orphan's pension shall be divided equally among all the orphans.
- 6 Dependant's pensions assessed before 25 June 2003 shall continue to be paid.

- 2 The pension paid to each dependant shall be equal to the lowest of the following amounts:
- i) the amount, as recognised by the Organisation, of the support provided to that person by the staff member or former staff member at the time of his death;
  - ii) twice the amount of the dependant's allowance in force in the Organisation when the former staff member's pension was assessed, this amount being updated in accordance with the provisions of Article 36, or, if he was not receiving a retirement or invalidity pension, according to the scale in force at the time of death; or

If the salary of a staff member who died in service continues to be paid to a surviving spouse or former spouse, directly and in full, under the Staff Rules of the Organisation, payment of the pensions shall be deferred accordingly.
- 2** The pensions under Articles 25 and 25 bis shall cease to be payable at the end of the month in which the child or other dependant ceases to satisfy the conditions for entitlement to the allowance for a dependent child or dependent person under the Staff Rules of the Organisation.

- 2** Where there are children or dependent persons from different family groups with entitlement to a pension, the total pension, calculated as though all were from the same family group, shall be apportioned among the various categories of beneficiaries in proportion to the pensions which would have been payable to each category if treated separately.

## **CHAPTER VI**

### **FAMILY ALLOWANCES**

#### **ARTICLE 28 GENERAL PROVISIONS**

*Applicable from 01 Jan 2020 until today*

- 1** Household allowance, children's or dependants' allowance and handicapped child allowance, paid to the staff members of the Organisation as family allowances, are granted and adjusted according to the modalities and conditions of entitlement provided for under the Organisation's Staff Rules and under the present Rules:
  - i) to the recipient of a retirement pension as from the age of 60;
  - ii) to the recipient of an invalidity pension;
  - iii) to the recipient of a survivor's or reversion pension, in respect of the sole beneficiaries who were or would have been recognised as a dependent of the staff member or the former staff member if he had not died.
- 2** The double entitlement regulations apply to any allowance of the same nature, regardless of its name.
  - i) The household allowance shall be calculated by reference to the pension of the recipient.
  - ii) Where the recipient of a survivor's or reversion pension is a staff member of one of the Organisations listed in Article 1 or is in receipt of a pension assessed by any of these organisations, only one household allowance shall be granted.

For such purpose, there shall be drawn up, for each Member State, in accordance with the Implementing Instructions referred to in paragraph 6, tables of equivalence specifying, for each amount of pension, the amount of the adjustment to be added thereto. The said tables shall determine the rights of the recipients.

- 3** In calculating the theoretical amount of income tax or taxes referred to in paragraph 2 of this Article, account shall be taken only of the provisions of tax legislation and regulations affecting the basis of liability and the amount of income tax or taxes for all pensioner-taxpayers in the country concerned.

Pensioners without spouse or dependants shall be deemed to be in the position of a pensioner without entitlement to any tax reliefs or allowances for family responsibilities, all other recipients being deemed to be pensioners enjoying the tax reliefs and allowances of a person who is married without children.

No account shall be taken:

- of individual factors related to the personal circumstances or private means of a particular pensioner;
- of income other than that arising under these Rules;
- of the income of the spouse or dependants of the pensioner.

On the other hand, account shall, in particular, be taken of circumstances arising in the course of the year as a result of:

- commencement or cessation of payment of the pension.

- 4** The Organisation shall supply the Member States concerned with the names, forenames and full address of pensioners and the total amount of the pension and adjustment.

- 5 The recipient of an adjustment as specified in this Article shall be required to inform the Organisation of his full address and of any subsequent change therein.  
Such recipient shall produce evidence of his pension and the relative adjustment having been declared or taxed; should he fail to comply with this obligation, he shall be deprived of the right to this adjustment and shall refund any amounts unduly received in this respect.
- 6 The other procedures for calculating the adjustment and, in particular, those necessitated by the special features of certain national tax laws, and the procedure for payment of the adjustment shall be laid down in the Implementing Instructions established in accordance with the tax legislation of Member States.

Notwithstanding Article 52, the Implementing Instructions referred to in this paragraph shall require approval by the Council (see Appendix 2).

In the cases dealt with in this paragraph 2, if the choice is not made within the time limit laid down, the staff member or the persons entitled under him shall be deemed to have made the choice covered by Article 48.
- 3**

  - Denominator: the difference between 80 and the age of the staff member at the time of departure, death or recognition as unfit for service.
- 3 The request referred to in paragraph 1 above must be made within the period referred to in Article 43.4 i), failing which the right to do so shall lapse. The benefits under this Article shall be granted with effect from 1st January 1973.
- 4 Benefits under this Article shall be calculated by reference to the staff member's grading when he left the service before 1st January 1973 but on the basis of the corresponding scales in force on 1st January 1973, subsequently adjusted in accordance with Article 36.
- 5 Staff to whom this Article applies shall not benefit under the provisions of Article 46.

### **SECTION 3: HARDSHIP ALLOWANCE**

#### **ARTICLE 50 HARDSHIP ALLOWANCE**

*Applicable from 06 Jul 2012 until today*

- 1 As an exceptional measure, where a staff member governed by the transitional arrangements is - or the persons claiming under him are - unable to make the refunds required under Article 44 or Article 49, he - or they - may, if the Secretary-General considers this justified in the light of his - or their - overall income, be granted a hardship allowance. This allowance shall not exceed the amount of the minimum pension provided for in the Rules in respect of each category of beneficiary.
- A hardship allowance may also be granted on grounds of low level of income to the widowers of female staff members who died before 1st January 1979. In this case any pension granted as the case may be to the children or other dependants shall be reduced to the amount laid down in Article 25.2.
- 2 The hardship allowance may only be granted as from the first day of the month following that in which the application is made, and in any event not earlier than 1st July 1974; it may not, however, be granted to a former staff member before he has reached the age of sixty, unless he is incapacitated.
- 3 Detailed application of this Article will be governed by the Instructions referred to in Article 52.

**CHAPTER XIII  
FINAL PROVISIONS**

**ARTICLE 51  
CO-ORDINATION**

These Rules must be applied in a uniform manner by the Organisations listed in Article 1. To this end, the Secretaries/Directors-General of the said Organisations shall consult among themselves in order to carry out the appropriate co-ordination.

**ARTICLE 52  
DETAILED IMPLEMENTATION**

*Applicable from 05 Dec 2001 until today*

Instructions for the implementation of these Rules shall be drawn up by the Director-General.

**ARTICLE 53  
ENTRY IN FORCE**

*Applicable from 22 Aug 1986 until today*

These Rules shall enter into force on the date on which they are adopted by the Council.

## **APPENDIX 1**

### **ACTUARIAL STUDIES (Annex VI, Chapter X, Article 41)**

*Applicable from 01 Jan 2020 until today*

**Periodicity:** At least every 5 years

#### **Method**

- 1** Calculation, as at the effective date of the study for all the Organisations listed in Article 1, of the rate of contribution payable by staff in order to finance one-third of benefits provided under the Scheme, establishing the present value of future entitlements and salaries.
- 2** Projections of annual amounts of future entitlements will be calculated, on the one hand, for the overall population of staff members at the date of the study and, on the other hand, for the population of staff members who will be recruited by the Co-ordinated Organisations in the years to come. Projections of salaries for these populations will also be established year by year. Each of these amounts will be discounted to present worth.
- 3** Combining these results will make it possible to determine the rate of contribution needed to finance one-third of benefits provided under the Scheme.

#### **Demographic assumptions**

- 4** The demographic assumptions are derived from detailed demographic studies for each of the Co-ordinated Organisations. These studies examine past experience over a period of fifteen years in segments of five years so as to identify trends; they also take account of available forecasts regarding future numbers of staff.
- 5** The rates obtained are adjusted so as to eliminate distortions resulting from insufficient data in certain Organisations.

#### **Economic assumptions**

- 6** The discounting process is based on observed rates of return on long-term bonds issued in the reference countries, as from the date when they become a reference country.
- 7** A discount rate net of inflation shall be used. It shall be equal to the arithmetical average of average real rates observed over the thirty years preceding the date when the actuarial study is conducted.
- 8** The average real rate for a given past year is obtained from the real rates in each country, calculated as the quotient of the rate of gross return on bonds by the corresponding rate of inflation, as shown by the national consumer price index. The average is obtained by weighting the real rate in each country by the number of serving staff in that country at the effective date of the study.

#### **Salary increase assumptions**

- 9** The salary increase assumptions are derived for each Organisation from an analysis of the past experience over a period of 15 years in segments of five years so as to identify trends. They also take account of available forecasts in that respect.

## **APPENDIX 2**

### **IMPLEMENTING INSTRUCTIONS (Annex VI Article 28, Chapter XI Article 42)**

*Applicable from 06 Jul 2012 until today*

#### **42.1 Scope and calculation of the adjustment**

- i) Article 42 of the Pension Scheme Rules shall apply only if the pension and the adjustment relating to it are subject to taxes on income levied in a Member country of the Organisation. The family allowances provided for in Article 28 of the Pension Scheme Rules shall be assimilated to pensions in determining the tax adjustment insofar as similar allowances are taxable under the national tax legislation of the Member country.
- ii) The adjustment referred to in Article 42 of the Pension Scheme Rules shall be determined on the basis of the legal provisions relating to taxes on income in force in the Member country in which the pensioner is legally subject to such taxation. It shall be established in respect of pensions paid during the tax period as determined in that country.
- iii) Where the pension of a person entitled to the adjustment is paid in a currency other than that of the country in which such person is subject to taxes on income, the adjustment shall be determined on the basis of the pension converted into the currency of that country. Such conversion shall be effected at the rate obtained on the official exchange market.
- iv) Where the amounts paid during any tax period include arrears of pension relating to any previous period, the adjustment shall be determined or recalculated, as the case may be, with due regard to the tax treatment applicable to such arrears.

#### **42.2 Establishment of tables of equivalence for payment of the adjustment**

- i) Tables of equivalence for payment of the adjustment shall be established for each tax year by the International Service for Remunerations and Pensions, hereinafter referred to as "the Service".
- ii) The tax authorities of the Member countries shall provide the Service, at its request, with the details of legislation and regulations necessary for establishing the tables. The tables shall be checked and confirmed by the tax authorities of the Member country concerned. In the event of disagreement between such authorities and the Service on the content of the tables, the Secretaries/Directors-General and the Co-ordinating Committee shall consider the matter on the basis of Article 42 of the Pension Scheme Rules and of these Implementing Instructions.
- iii) Provisional tables of equivalence shall be drawn up prior to the commencement of the period to which they refer. They shall show, for rounded pension figures and in respect of each Member country, an amount equivalent to 90% of the monthly adjustment calculated according to the distinctions contained in Article 42.3 of the Pension Scheme Rules and on the basis of the tax legislation in force at the time of drawing up the tables.

- iv) The provisional tables shall be revised whenever amendments to tax legislation involve a change in the amount of adjustment. The Secretaries/Directors-General and the Co-ordinating Committee may, however, decide by mutual agreement to dispense with the updating of tables in cases where the balance of gain or loss is minimal.
- v) As soon as the authorities in Member countries have finally adopted the tax legislation applicable to income for the period covered by the provisional tables, these latter shall be replaced by final tables establishing the rights of recipients in accordance with Article 42.2 of the Pension Scheme Rules. These final tables shall show the amount of the adjustment for the whole of the period which they cover, as well as the monthly amount of the adjustment.
- vi) The provisional and final tables of equivalence shall be accompanied by all such information as is necessary for their use. Such information shall include:
  - the rules to be observed in cases where changes in family status, dependants or permanent address ("domicile") of the person entitled to the adjustment may affect the amount of the adjustment which the person concerned may claim;
  - the names and addresses of the tax authorities to which the Organisations supply the information specified in Article 42.4 of the Pension Scheme Rules;
  - the evidence to be supplied by persons entitled to the adjustment as proof of the declaration for tax purposes, or the taxation, of their pension and the adjustment relating thereto;
  - the dates for making such declarations and for paying the tax in those Member countries which have been authorised to avail themselves of the provisions of Instruction 42.3 ii) below.

#### **42.3 Method of payment of the adjustment**

- i) The adjustment shall be paid by monthly instalments by way of advance at the same time as the pension and in an amount corresponding to that appearing in the provisional tables of equivalence referred to in Instruction 42.2 iii) above. The amounts of pension, arrears of pension and adjustment shall be shown separately on the instrument of payment issued to the recipient.
- ii) At the request of a Member country, the Secretaries/Directors-General and the Co-ordinating Committee may, by mutual agreement, decide that by way of exception to paragraph i) there shall be a time lag in payment of the monthly instalments of the adjustment relating to that Member country, provided, however, that the payment of the whole of the monthly instalments shall be finalised before the ultimate date for payment of the tax to which they refer.
- iii) As soon as the final tables of equivalence are available, the total amount of the monthly instalments paid in respect of the tax period shall be compared to the final amount of the adjustment due for the whole of that period. Any excess or shortfall shall be rectified but so, however, that the amount involved shall not be taken into account in determining the adjustment in respect of the following tax year.
- iv) The adjustments shall be paid in the currency of the country in which the recipient is subject to taxes on income.

**42.4 Information to be supplied to Member countries by the Organisation**

- i) The particulars specified in Article 42.4 of the Pension Scheme Rules shall consist of the following:
  - a) a personal particulars form giving names and forenames, full address and, if applicable, the residence for tax purposes (domicile fiscal) of the pensioner, the total amount of pension paid for the period constituting the tax year, the final amount of the adjustment arrived at for such period, and the amount of arrears of pension, identifying the year to which such arrears relate;
  - b) a master list reproducing, for each Member country, the information contained in the personal particulars form.
- ii) The particulars listed in paragraph i) of this Instruction shall be supplied to the tax authorities of the country in which the persons concerned are subject to taxes on income. A copy of the personal particulars form shall be sent to the pensioner and a copy of the master list shall be sent to the Representative of the country in question to the Organisation.
- iii) The obligations specified in this Instruction shall be complied with at the time of the rectification referred to in Instruction 42.3 iii) above.

**42.5 Evidence of payment of tax**

The tax authorities referred to in Instruction 42.2 vi) above shall inform the Service of the evidence by which, in accordance with Article 42.5 of the Pension Scheme Rules, recipients of the adjustment may establish that their pension and the relevant adjustment have been declared for tax purposes or have been taxed.

**42.6 Financing the adjustment**

- i) The cost of the adjustment provided in Article 42 of the Pension Scheme Rules shall be borne by the country in which the recipient thereof is subject to tax on income for the period considered.
- ii) Expenditure arising under paragraph i) of this Instruction shall be the subject of a separate budget line which shall be drawn up at the same time as the other budgets of the Organisation. Final settlement of the contributions to this separate budget shall be made at the end of the period to which it relates.

**42.7 Transitional measures**

- i) Arrears of pension relating to tax periods prior to the approval of the Pension Scheme Rules by the Council shall be treated as contributions towards the purchase of pension rights to the extent that they are set off against capital due for the crediting of the pensioner's past service.
- ii) The effect of this provision on the amount of the adjustment shall be determined by the tax authorities mentioned in Instruction 42.2 vi) above, in collaboration with the Service.

**42.8 Date of effect**

These Implementing Instructions shall enter into force on the date on which they are adopted by the Council.

## **PART B**

# **2011 PENSION SCHEME (“NEW PENSION SCHEME”)**

## **CHAPTER I GENERAL PROVISIONS**

### **ARTICLE 1 SCOPE**

*Applicable from 27 Jun 2017 until today*

- 1** The pension scheme established by these Rules, hereinafter referred to as the “New Pension Scheme” (NPS), applies to staff who:
  - took up duty after 31 December 2010;
  - have never contributed to the Pension Scheme of the Co-ordinated Organisations set out in the 94<sup>th</sup> Report of the CCG and in force in these Organisations; and
  - hold indefinite term or definite or fixed term appointments in the Organisation.
- 2** A staff member who, during his last appointment with a Co-ordinated Organisation, benefited from the provisions of Article 11 of the Pension Scheme of the Co-ordinated Organisation set out in the 94<sup>th</sup> Report of the CCG and who has not repaid the amounts provided for under that Article, shall be deemed to have relinquished entitlement to benefit from the said scheme and shall irrevocably be affiliated to the NPS.
- 3** The NPS shall not apply to other categories of personnel defined in the Organisation, such as experts, consultants, temporary staff, auxiliary staff, employees and personnel hired under local labour legislation, etc.
- 4** In these Rules, the term "Organisation" refers to EUMETSAT, the term “Other Organisation” means any other Co-ordinated Organisation that has adopted the NPS and the term "staff member"\* means the staff referred to in paragraphs 1 and 2 above.

### **ARTICLE 2 DEFERRED ENTITLEMENT**

*Applicable from 06 Jul 2012 until today*

Where the medical examination which every staff member has to undergo as part of the appointment process (and the possible consequences of which have been duly notified to him before his appointment) shows him to be suffering from an illness or disablement, the Organisation may decide that, as regards risks arising from an illness or disablement existing before he took up his duties, the said staff member shall not be entitled to the invalidity or death benefits provided for in these Rules until the expiry of a period not exceeding five years from the date of his appointment. If a staff member leaves an Organisation that has adopted the NPS and, within a period of not more than six months, enters into the service of another Organisation that has also adopted the NPS, the time spent in the service of the first Organisation shall be deducted from the period of deferred entitlement.

\*In the present Rules, the terms “staff member” and “beneficiaries” apply equally to men and women.

### **ARTICLE 3 DEFINITION OF SALARY**

*Applicable from 06 Jul 2012 until today*

Unless otherwise specified, for the purposes of these Rules, salary shall be the monthly basic salary of the staff member, according to the scales in force in the Organisation at the time when the pension is assessed, and updated in accordance with the provisions of Article 36.

### **ARTICLE 4 DEFINITION OF SERVICE CONFERRING ENTITLEMENT TO BENEFITS**

*Applicable from 06 Jul 2012 until today*

- 1** Subject to the provisions of Articles 5 and 41.1, entitlement to benefit under these Rules shall be determined by the total of the periods actually served in the Organisation or in another Organisation:
  - i) as a staff member,
  - ii) in any other capacity prior to appointment as a staff member, provided any periods so served were not separated by breaks of more than one year.
- 2** In addition to the total reckonable years of service thus calculated, a staff member may request, on cessation of work, that periods of service corresponding to certain statutory indemnities be taken into account, in particular, payment in lieu of notice, for loss of employment, and for leave not taken, under the provisions laid down by Instruction <sup>1</sup>.
- 3** Periods of part-time service shall be taken into consideration in calculating entitlement to benefit under these Rules provided they correspond to at least half-time work as defined by the provisions laid down by Instruction.
- 4** The periods referred to in Article 16.3 shall also be taken into consideration

<sup>1</sup> Unless otherwise specified, the terms “provisions laid down by Instruction” refers, throughout these rules, to the implementation provisions in Article 44.

**ARTICLE 5**  
**CALCULATION OF SERVICE CONFERRING ENTITLEMENT TO BENEFITS <sup>1</sup>**

*Applicable from 27 Jun 2017 until today*

- 1** Where a staff member appointed by the Organisation has previously served with the Organisation or another Organisation <sup>2</sup>, his entitlement to benefits under the terms of Article 4 shall be conditional upon his paying over to the Organisation which re-appoints him the amounts paid to him on leaving his previous service pursuant to Article 11 plus compound interest on such amounts at 4% per annum from the date when the staff member received them until the date when they are paid over in accordance with this paragraph.

Should the staff member fail to pay over the amounts in question, reckonable years of service shall count only as from the new appointment.
- 2** Where a staff member appointed by the Organisation was previously receiving a retirement pension in respect of service with another Organisation, payment of that pension shall cease.

If the staff member refunds to the Organisation offering him a new appointment the pension payments he has received, the provisions of Article 4 shall apply on cessation of his new appointment.

If he does not make this refund, the years of service for which credit was acquired in the employment that originally entitled him to payment of the discontinued retirement pension shall be taken into account in the calculation of the retirement pension due on cessation of his new employment by reference to the salary for his last grading in such previous employment; moreover, that part of the final pension figure shall be abated by 5% for each whole year during which the staff member drew the initial pension before reaching pensionable age as laid down in Article 8.1.
- 3** Where a staff member ceases his functions at a grade or step lower than that which he had previously held in the Organisation or in another Organisation, his entitlement to benefits under these Rules shall be determined by taking into account the total of his reckonable years of service and the benefits shall be calculated on the basis of the salary for the highest grading held by him. However, a reduction shall be made in the number of years of service to be credited to him in respect of time served at a lower grade or step after having held the grade by reference to which benefits are calculated; this reduction shall be proportionate to the difference between the said gradings.
- 4** For the implementation of paragraphs 2 and 3 above, salaries shall be taken into account in accordance with the scales in force when the final pension assessment is made.

<sup>1</sup> Paragraphs 1 and 2 of the Article shall only apply inasmuch as another Organisation has adopted the NPS.

<sup>2</sup> Insofar as the scheme set up by the present Rules is made applicable to staff members of the European Union for Security Studies and Satellites Centre, Agencies of the European Union and previously of the WEU, a member organisation of Co-ordination from the outset, such staff members shall benefit from the provision of the present Article and of the other provisions of the Rules referring to Article 1.4.

- 5** The crediting of the periods referred to in Article 4.1 ii) shall be conditional on:
- i) the staff member submitting an application to that effect within six months following his taking up duty as a staff member; the application shall specify the periods of service with which the staff member wishes to be credited;
  - ii) the Organisation giving its agreement;
  - iii) the staff member paying, for each month of service with which he is to be credited, the contribution provided for in Article 41 calculated on the basis of his first monthly salary as a staff member.

## **ARTICLE 6 RECKONABLE YEARS OF SERVICE**

*Applicable from 06 Jul 2012 until today*

- 1** The benefits provided for under these Rules shall be calculated by reference to reckonable years of service consisting of:
- i) service calculated in accordance with the provisions of Articles 4 and 5;
  - ii) service credited in accordance with Article 12.1.
- 2** Incomplete years of reckonable service shall be taken into account on the basis of one-twelfth of a year for each whole month of service. For benefit calculation purposes, the period remaining shall be treated as a whole month if it is equal to or more than fifteen days.

However, the period remaining shall not be taken into account for the purpose of calculating the ten years' service required for entitlement to the retirement pension provided for in Article 7.

- 3** In the case of part-time work:
- i) reckonable years of service shall be calculated in accordance with the ratio between the working hours corresponding to part-time service and the official number of hours for full-time work in the Organisation.
  - ii) however, reckonable years of service shall not be reduced when the staff member authorised to work part-time has contributed to the NPS on the basis of full-time work, by paying, in addition to his personal contribution to the NPS for the part corresponding to his part-time work, a contribution equal to two and a half times the rate of contribution mentioned in Article 41.3 on the difference in salary between his part-time work and the corresponding full-time work, under the provisions laid down by Instruction.

**ARTICLE 6 bis  
PART-TIME SERVICE  
EFFECTS ON THE CALCULATION OF ENTITLEMENT**

*Applicable from 06 Jul 2012 until today*

- 1** If, when a staff member’s service ends, he is working part-time, the amount of the benefit due shall be calculated with reference to the full salary for the grade and step to be used as a basis under the provisions of these Rules.
- 2** However, when a staff member terminating his service in the circumstances described in paragraph 1 above had been recruited to serve on a part-time basis, or authorised to work part-time for an indefinite period or for a fixed term renewable by tacit agreement and if the provisions of Article 6.3 ii) are not applied, the rate of the invalidity pension provided for in Article 14.2, and the minimum and maximum amounts that apply, shall be set in accordance with the provisions laid down by Instruction.

**CHAPTER II  
RETIREMENT PENSION AND LEAVING ALLOWANCE**

**SECTION 1: RETIREMENT PENSION**

**ARTICLE 7  
CONDITIONS OF ENTITLEMENT**

*Applicable from 06 Jul 2012 until today*

- 1** A staff member who has completed ten or more years of service, within the meaning of Article 4, in the Organisation and, where applicable, in other Organisations shall be entitled to a retirement pension.
- 2** For the implementation of the condition of length of service referred to in paragraph 1 above, periods of service in respect of which contributions to the Defined Benefit Funded Pension Scheme of the ECMWF have been paid and for which the staff member has benefited from an inward transfer of pension rights, under the provisions laid down in Article 12.1 and its implementing instructions, shall also be taken into account.

**ARTICLE 8**  
**AGE OF ENTITLEMENT, DEFERRED OR EARLY PENSION**

*Applicable from 30 Jun 2020 until today*

- 1** A staff member shall become eligible for a retirement pension at the age of 63.
- 2** Pension rights shall continue to accrue to a staff member continuing to be employed after ^ pensionable age, but his pension shall not exceed the maximum amount laid down in Article 10.2.
- 3** If a staff member ceases his functions before pensionable age, payment of his retirement pension shall be deferred until he reaches that age.
- 4** However, a staff member who retires before pensionable age may request early payment of his pension 12 years before that age at the earliest.

In such case, the amount of the retirement pension shall be reduced by reference to the age of the staff member when his pension is assessed, as shown in the table below.

<b>Age when pension is assessed</b>	<b>Ratio of pension on early retirement to pension at age 63</b>
51	0.60
52	0.62
53	0.65
54	0.67
55	0.70
56	0.73
57	0.76
58	0.80
59	0.83
60	0.87
61	0.91
62	0.96

An actuarial study of the reduction coefficients used in this table, based in particular on the relevant data from the study provided for in Article 41 on the contribution rate of staff members, shall be carried out at the same intervals as this latter study.

- 5** Where the Organisation terminates the appointment of a staff member, the reduction coefficient applicable to early payment of his pension shall be 3% a year between the age of 60 and the pensionable age. However, this provision does not apply when the Organisation terminated the appointment as a result of disciplinary action or for unsatisfactory service.

**ARTICLE 9**  
**COMMENCEMENT AND CESSATION OF ENTITLEMENT**

*Applicable from 01 Jan 2011 until today*

- 1** Entitlement to payment of a retirement pension shall commence on the first day of the month following that in which the person concerned became eligible for payment of the pension.
- 2** Entitlement shall cease at the end of the month in which the pensioner dies.

**ARTICLE 10**  
**RATE OF PENSION**

*Applicable from 01 Jan 2011 until today*

- 1** The amount of the retirement pension shall be, per reckonable year of service within the meaning of Article 6, 2% of the salary corresponding to the last grade held by the staff member for not less than one year before cessation of his appointment and the last step held in that grade.
- 2** The maximum rate of the pension shall be 70% of this salary, subject to the provisions of paragraph 3 below.
- 3** The amount of the retirement pension shall not be less than 4% of the salary for grade C1, step 1, per reckonable year of service credited pursuant to Article 6; it may not, however, exceed the staff member's last salary as defined in Article 3.

**SECTION 2: LEAVING ALLOWANCE**

**ARTICLE 11**  
**LEAVING ALLOWANCE**

*Applicable from 06 Jul 2012 until today*

- 1** A staff member whose service ceases otherwise than by reason of death or invalidity and who is not entitled to a retirement pension nor to the benefit of the provisions of Article 12.2 shall be entitled on leaving to payment of an amount equal to 2.25 times his rate of contribution as applied to his last annual salary, multiplied by the number of reckonable years of service credited within the meaning of Article 6.1.i\*.
- 2** The reckonable years of service credited in accordance with Article 12.1 shall not be taken into account for the calculation of the leaving allowance but shall give rise to the payment of an actuarial equivalent calculated in accordance with Article 12.2, unless the amounts initially transferred are refunded to the previous employer.
- 3** A staff member who is re-appointed by the Organisation after having received a leaving allowance must pay it back if the period during which he was not employed by the Organisation, in whatever capacity, is less than twelve months.

\*See Article 33.7.

**SECTION 3: INWARD AND OUTWARD TRANSFER OF PENSION RIGHTS****ARTICLE 12  
INWARD AND OUTWARD TRANSFER OF PENSION RIGHTS**

*Applicable from 06 Jul 2012 until today*

- 1** A staff member who enters the service of the Organisation after leaving the service of a government administration or national organisation, or international organisation not referred to in article 1.4, or a firm, may arrange for payment to the Organisation in accordance with the provisions laid down by Instruction, of any amounts corresponding to the retirement pension rights accrued under the pension scheme to which he was previously affiliated in so far as that scheme allows such a transfer.  
In such cases, the Organisation shall determine, by reference to the provisions laid down by Instruction, the number of years of reckonable service with which the staff member shall be credited under the present Scheme.
- 2** A staff member who leaves the service of the Organisation to enter the service of a government administration or national organisation, or international organisation not referred to in Article 1.4, which has entered into an agreement with the Organisation, shall be entitled to transfer to the pension fund of that administration or organisation:
  - i) either the actuarial equivalent of his retirement pension rights accrued under these Rules, such equivalent being calculated in accordance with the provisions laid down by Instruction;
  - ii) or, in the absence of such rights, the amounts provided under Article 11.

**CHAPTER III  
INVALIDITY PENSION****ARTICLE 13  
CONDITIONS OF ENTITLEMENT - INVALIDITY BOARD**

*Applicable from 06 Jul 2012 until today*

- 1** Subject to the provisions of Article 2, an invalidity pension shall be payable to a staff member who is under the age limit laid down in the Staff Rules and who, at any time during the period in which pension rights are accruing to him, is recognised by the Invalidity Board defined below to be suffering from permanent invalidity which totally prevents him from performing his job or any duties corresponding to his experience and qualifications which may have been proposed to him by the Organisation.
- 2** The Invalidity Board shall consist of three medical practitioners, the first two being appointed by the Organisation and the staff member concerned, respectively, and the third one selected jointly by the first two. Cases shall be submitted to it by the Organisation either on its own initiative or at the request of the staff member concerned.

## **ARTICLE 14 RATE OF PENSION**

*Applicable from 01 Jan 2011 until today*

- 1** Subject to the provisions of Article 5.3, the invalidity pension shall be equal to the retirement pension to which the staff member would have been entitled at the age limit laid down in the Staff Rules if he had continued to serve until that age, the requirement for a minimum of ten years' service under Article 7 not being applicable.
- 2** However, where the invalidity arises from an accident in the course of the performance of his duties, from an occupational disease, from a public-spirited act or from risking his life to save another human being, the invalidity pension shall be 70% of his salary. In the event of invalidity resulting from a cause other than these, the invalidity pension provided for in this paragraph may not be less than the invalidity pension which would be payable under paragraph 1 of this Article.
- 3** The salary used as a basis for the calculation of the invalidity pension referred to in paragraphs 1 and 2 above shall be the salary for the grade and step held by the staff member in accordance with the scales in force at the date laid down in Article 17.1.
- 4** The invalidity pension shall not be less than 120% of the salary for grade C1, step 1, but may not be more than the last salary, such salaries being those which appear in the scales in force at the date laid down in Article 17.1 subject to any adjustments provided for in Article 36.
- 5** In the case of invalidity deliberately brought about by the staff member, the Organisation shall decide whether he should receive an invalidity pension or only a retirement pension or a leaving allowance, depending on his length of effective service.

## **ARTICLE 15 CONCURRENT EARNINGS**

*Applicable from 01 Jan 2011 until today*

- 1** Where a person in receipt of an invalidity pension is nevertheless gainfully employed, this pension shall be reduced by the amount by which his pension together with the remuneration he receives for the said employment exceeds the salary for the highest step in the grade he held at the time of his being recognised an invalid.
- 2** This reduction shall apply only up to the age limit laid down in the Staff Rules.

**ARTICLE 16**  
**MEDICAL EXAMINATION - TERMINATION OF PENSION**

*Applicable from 01 Jan 2011 until today*

- 1 While a person receiving an invalidity pension is still under the age limit laid down in the Staff Rules, the Organisation may have him medically examined periodically to ascertain that he still satisfies the conditions for entitlement to such pension, in particular, having regard to any new duties corresponding to his experience and qualifications which may have been proposed to him by the Organisation.
- 2 When a person receiving an invalidity pension who has not reached the said age limit ceases to satisfy the conditions for entitlement to the invalidity pension, the Organisation shall terminate that pension.
- 3 The time during which the person concerned has received his invalidity pension shall then be reckoned, without payment of back contributions, for the calculation of the leaving allowance or retirement pension, as the case may be.

**ARTICLE 17**  
**COMMENCEMENT AND CESSATION OF ENTITLEMENT**

*Applicable from 01 Jan 2011 until today*

- 1 Entitlement to an invalidity pension shall commence on the first day of the month following the date of the beginning of the invalidity as recognised by the Invalidity Board.
- 2 Subject to the application of Article 16.2:
  - i) the invalidity pension payable under Article 14.2 shall be paid for life;
  - ii) in other cases, entitlement to an invalidity pension shall terminate:
    - either at the age limit laid down in the Staff Rules; or,
    - at the end of the month in which the recipient of such a pension dies.

- 1** The surviving spouse\* of a staff member who died in service shall be entitled to a survivor's pension, provided they had been married to each other for at least one year at the time of the staff member's death, unless the death resulted either from disablement or illness contracted in the performance of his duties, or from an accident.
- 2** A reversion pension shall be payable to the surviving spouse:
  - i) of a former staff member receiving an invalidity pension, if they were married to each other for at least one year at the time of his being recognised an invalid; this condition of anteriority shall not apply if the marriage had existed for at least five years at the time of the former staff member's death, or if the death resulted either from disablement or illness contracted in the performance of his duties, or from an accident;
  - ii) of a former staff member receiving a retirement pension, if they had been married to each other for at least one year at the time when the former staff member's appointment ceased; this condition of anteriority shall not apply if the marriage had existed for at least five years at the time of the former staff member's death; or

- 2** Where a staff member has died as the result of an accident in the course of the performance of his duties, from an occupational disease, from a public-spirited act or from risking his life to save another human being, the survivor's pension shall be 60% of the invalidity pension to which the staff member would have been entitled, had he survived, under Article 14.2.

**ARTICLE 20**  
**REDUCTION FOR DIFFERENCE IN AGE**

*Applicable from 06 Jul 2012 until today*

Where the difference in age between the deceased staff member or former staff member and his younger surviving spouse and/or former spouse, minus the length of time they have been married, is more than ten years, the survivor's or reversion pension, calculated in accordance with the preceding provisions, shall be subject to a reduction, per year of difference, amounting to:

This entitlement shall not arise if the former spouse remarried before the staff member or former staff member died. If remarriage takes place after the staff member's or former staff member's death and while the conditions laid down in the sub-paragraph above are still fulfilled, the provisions of Article 21 shall apply.

- 2 Where a staff member or former staff member dies leaving both a spouse entitled to a survivor's or reversion pension and a non-remarried former spouse fulfilling the conditions laid down in paragraph 1 above, the whole of the survivor's or reversion pension shall be divided between the before-mentioned persons in proportion to the duration of their marriages.  
  
The amount to which a non-remarried former spouse is entitled shall, however, not be more than the amount of maintenance or compensation payable at the time of the death of the staff member or former staff member.
- 3 Where one of the persons entitled to a survivor's or reversion pension renounces his share, ceases to satisfy the conditions of entitlement or forfeits his rights under Article 35, or where the amount of his pension has been restricted under the terms of the second sub-paragraph of paragraph 2 above, his share shall accrue to the share of the other person, except where pension rights revert to orphans, as provided under the last sub-paragraph of Article 24.3. STAFF MEMBER'S CONTRIBUTION - COSTING THE SCHEME**

*Applicable from 01 Jan 2020 until today*

- 1** Staff members shall contribute to the NPS.
- 2** The staff members' contribution shall be calculated as a percentage of their salaries and shall be deducted monthly.
- 3** The rate shall be set so as to represent the cost, in the long term, of 40% of the benefits provided under these Rules.  
  
The rate of the staff contribution shall be 11.8%. This rate shall be reviewed every five years on the basis of an actuarial study, the procedures for which are in Appendix 1. The staff contribution rate shall be adjusted, with effect from the fifth anniversary of the preceding adjustment, the rate being rounded to the nearest first decimal.
- 4** Contributions properly deducted shall not be recoverable. Contributions improperly deducted shall confer no rights to pension benefits; they shall be refunded at the request of the staff member concerned or those entitled under him without interest.

**CHAPTER XI  
PROVISIONS RELATING TO ADJUSTMENT OF PENSIONS**

**ARTICLE 42  
PENSIONS WHICH ARE SUBJECT TO NATIONAL TAX LEGISLATION**

*Applicable from 01 Jan 2011 until today*

- 1** The recipient of a pension under these Rules shall be entitled to the adjustment applying to the Member State of the Organisation in which the pension and adjustment relating thereto are chargeable to income tax under the tax legislation in force in that country.
- 2** The adjustment shall equal 50% of the amount by which the recipient's pension would theoretically need to be increased, were the balance remaining after deduction of the amount of national income tax or taxes on the total to correspond to the amount of the pension calculated in accordance with these Rules.

For such purpose, there shall be drawn up, for each Member State, in accordance with the Implementing Instructions referred to in paragraph 6, tables of equivalence specifying, for each amount of pension, the amount of the adjustment to be added thereto. The said tables shall determine the rights of the recipients.

- 3** In calculating the theoretical amount of income tax or taxes referred to in paragraph 2 of this Article, account shall be taken only of the provisions of tax legislation and regulations affecting the basis of liability and the amount of income tax or taxes for all pensioner-taxpayers in the country concerned.
- 4** Pensioners without spouse or dependants shall be deemed to be in the position of a pensioner without entitlement to any tax reliefs or allowances for family responsibilities, all other recipients being deemed to be pensioners enjoying the tax reliefs and allowances of a person who is married without children.

No account shall be taken:

- of individual factors related to the personal circumstances or private means of a particular pensioner;
- of income other than that arising under these Rules;
- of the income of the spouse or dependants of the pensioner.

On the other hand, account shall, in particular, be taken of circumstances arising in the course of the year as a result of:

- a change in civil status or settlement in another place of residence with a different taxation system;
- commencement or cessation of payment of the pension.

- 5** The Organisation shall supply the Member States concerned with the names, forenames and full address of pensioners and the total amount of the pension and adjustment.

- 6 The recipient of an adjustment as specified in this Article shall be required to inform the Organisation of his full address and of any subsequent change therein.  
Such recipient shall produce evidence of his pension and the relative adjustment having been declared or taxed; should he fail to comply with this obligation, he shall be deprived of the right to this adjustment and shall refund any amounts unduly received in this respect.
- 7 The other procedures for calculating the adjustment and, in particular, those necessitated by the special features of certain national tax laws, and the procedure for payment of the adjustment shall be laid down in the Implementing Instructions established in accordance with the tax legislation of Member States.
- Notwithstanding Article 44, the Implementing Instructions referred to in this paragraph shall require approval by the Council (see Appendix 2).

## **CHAPTER XII FINAL PROVISIONS**

### **PARTICLE 43 PENSIONS ADMINISTRATIVE COMMITTEE OF THE CO-ORDINATED ORGANISATIONS (PACCO)**

*Applicable from 27 Jun 2017 until today*

The Pensions Administrative Committee of the Co-ordinated Organisations, created by the Standing Committee of Secretaries-General, shall give technical opinions and, where necessary, ensure appropriate co-ordination between the Organisation and the other Organisations.

### **ARTICLE 44 DETAILED IMPLEMENTATION**

*Applicable from 06 Jul 2012 until today*

Instructions for the implementation of these Rules shall be drawn up by the Director-General after an opinion of the Pensions Administrative Committee of the Co-ordinated Organisations.

### **ARTICLE 45 ENTRY IN FORCE**

*Applicable from 01 Jan 2011 until today*

These Rules shall enter into force on the date on which they are adopted by the Council

**APPENDIX 1****ACTUARIAL STUDIES  
(Annex VI, Chapter X, Article 41)**

*Applicable from 01 Jan 2020 until today*

**Periodicity:** At least every 5 years

**Method**

- 1** Calculation, as at the effective date of the study for all the Co-ordinated Organisations that have adopted the NPS, of the rate of contribution payable by staff in order to finance 40% of benefits provided under the Scheme, establishing the present value of future entitlements and salaries.
- 2** Projections of annual amounts of future entitlements will be calculated, on the one hand, for staff affiliated at the date of the study to the NPS and to any other scheme implemented after the establishment of the NPS, and, on the other hand, for the population of staff who will be recruited in the years to come. Projections of salaries for these populations will also be established year by year. Each of these amounts will be projected over a period of 80 years and discounted to present worth.
- 3** Combining these results will make it possible to determine the rate of contribution needed to finance 40% of benefits provided under the Scheme.

**Demographic and salary-related assumptions**

- 4** The demographic assumptions are derived from detailed demographic studies for each of the Co-ordinated Organisations that have adopted the NPS. These studies examine past experience over a period of fifteen years, where information is available, and also take account of practices and forecasts regarding future staff numbers.
- 5** The assumptions relating to salaries are based on detailed observation of the past, over a period of 15 years, where the information is available, and also take account of practices and forecasts available in this field.
- 6** The rates obtained are adjusted so as to eliminate distortions resulting from insufficient data in certain organisations.

**Economic assumptions**

- 7** The discounting process is based on observed rates of return on long-term government bonds issued in the reference countries, as from the date when they become a reference country.
- 8** A discount rate net of inflation shall be used. It shall be equal to the arithmetical average of average real rates observed over the thirty years preceding the date when the actuarial study is conducted.
- 9** The average real rate for a given past year is obtained from the real rates in each country, calculated as the quotient of the rate of gross return on bonds by the corresponding rate of inflation, as shown by the national consumer price index. The average is obtained by weighting the real rate in each country by the number of serving staff in that country at the effective date of the study.

## **APPENDIX 2**

### **IMPLEMENTING INSTRUCTIONS**

#### **(Annex VI Article 28, Chapter XI Article 42)**

*Applicable from 06 Jul 2012 until today*

#### **42.1 Scope and calculation of the adjustment**

- i) Article 42 of the Pension Rules shall apply only if the pension and the adjustment relating to it are subject to taxes on income levied in a Member country of the Organisation. The family allowances provided for in Article 28 of the Pension Scheme Rules shall be assimilated to pensions in determining the tax adjustment insofar as similar allowances are taxable under the national tax legislation of the Member State.
- ii) The adjustment referred to in Article 42 of the Pension Scheme Rules shall be determined on the basis of the legal provisions relating to taxes on income in force in the Member country in which the pensioner is legally subject to such taxation. It shall be established in respect of pensions paid during the tax period as determined in that country.
- iii) Where the pension of a person entitled to the adjustment is paid in a currency other than that of the country in which such person is subject to taxes on income, the adjustment shall be determined on the basis of the pension converted into the currency of that country. Such conversion shall be effected at the rate obtained on the official exchange market.
- iv) Where the amounts paid during any tax period include arrears of pension relating to any previous period, the adjustment shall be determined or recalculated, as the case may be, with due regard to the tax treatment applicable to such arrears.

#### **42.2 Establishment of tables of equivalence for payment of the adjustment**

- i) Tables of equivalence for payment of the adjustment shall be established for each tax year by the International Service for Remunerations and Pensions, hereinafter referred to as "the Service".
- ii) The tax authorities of the Member countries shall provide the Section, at its request, with the details of legislation and regulations necessary for establishing the tables. The tables shall be checked and confirmed by the tax authorities of the Member country concerned. In the event of disagreement between such authorities and the Service on the content of the tables, the Secretaries-General and the Co-ordinating Committee shall consider the matter on the basis of Article 42 of the Pension Scheme Rules and of these Implementing Instructions.
- iii) Provisional tables of equivalence shall be drawn up prior to the commencement of the period to which they refer. They shall show, for rounded pension figures and in respect of each Member country, an amount equivalent to 90% of the monthly adjustment calculated according to the distinctions contained in Article 42.3 of the Pension Scheme Rules and on the basis of the tax legislation in force at the time of drawing up the tables.

- iv) The provisional tables shall be revised whenever amendments to tax legislation involve a change in the amount of the adjustment. The Secretaries-General and the Co-ordinating Committee may, however, decide by mutual agreement to dispense with the updating of tables in cases where the balance of gain or loss is minimal.
- v) As soon as the authorities in Member countries have finally adopted the tax legislation applicable to income for the period covered by the provisional tables, these latter shall be replaced by final tables establishing the rights of recipients in accordance with Article 42.2 of the Pension Scheme Rules. These final tables shall show the amount of the adjustment for the whole of the period which they cover, as well as the monthly amount of the adjustment.
- vi) The provisional and final tables of equivalence shall be accompanied by all such information as is necessary for their use. Such information shall include:
  - the rules to be observed in cases where changes in family status, dependants or permanent address ("domicile") of the person entitled to the adjustment may affect the amount of the adjustment which the person concerned may claim;
  - the names and addresses of the tax authorities to which the Organisations supply the information specified in Article 42.4 of the Pension Scheme Rules;
  - the evidence to be supplied by persons entitled to the adjustment as proof of the declaration for tax purposes, or the taxation, of their pension and the adjustment relating thereto;
  - the dates for making such declarations and for paying the tax in those Member countries which have been authorised to avail themselves of the provisions of Instruction 42.3 ii) below.

### **42.3 Method of payment of the adjustment**

- i) The adjustment shall be paid by monthly instalments by way of advance at the same time as the pension and in an amount corresponding to that appearing in the provisional tables of equivalence referred to in Instruction 42.2 iii) above. The amounts of pension, arrears of pension and adjustment shall be shown separately on the instrument of payment issued to the recipient.
- ii) At the request of a country, the Secretaries-General and the Co-ordinating Committee may decide by mutual agreement that by way of exception to paragraph i) there shall be a time lag in payment of the monthly instalments of the adjustment relating to that country, provided, however, that payment of the whole of the monthly instalments shall be finalised before the ultimate date for payment of the tax to which they refer.
- iii) As soon as the final tables of equivalence are available, the total amount of the monthly instalments paid in respect of the tax period shall be compared to the final amount of the adjustment due for the whole of that period. Any excess or shortfall shall be rectified but so, however, that the amount involved shall not be taken into account in determining the adjustment in respect of the following tax year.
- iv) The adjustments shall be paid in the currency of the country in which the recipient is subject to taxes on income.

**42.4 Information to be supplied to Member States by the Organisation**

- i) The particulars specified in Article 42.4 of the Pension Rules shall consist of the following:
  - a) a personal particulars form giving the name and forenames, full address and, where applicable, the residence for tax purposes (domicile fiscal) of the pensioner, the total amount of pension paid for the period constituting the tax year, the final amount of the adjustment arrived at for such period, and the amount of arrears of pension, identifying the year to which such arrears relate;
  - b) a master list reproducing, for each country, the information contained in the personal particulars form.
- ii) The particulars listed in paragraph i) of this Instruction shall be supplied to the tax authorities of the country in which the persons concerned are subject to taxes on income. A copy of the personal particulars form shall be sent to the pensioner and a copy of the master list shall be sent to the Representative of the Member State in question to the Organisation.
- iii) The obligations specified in this Instruction shall be complied with at the time of the rectification referred to in Instruction 42.3 iii) above.

**42.5 Evidence of payment of tax**

The tax authorities referred to in Instruction 42.2 vi) above shall inform the Service of the evidence by which, in accordance with Article 42.5 of the Pension Scheme Rules, recipients of the adjustment may establish that their pension and the relevant adjustment have been declared for tax purposes or have been taxed.

**42.6 Financing the adjustment**

- i) The cost of the adjustment provided for in Article 42 of the Pension Scheme Rules shall be borne by the country in which the recipient thereof is subject to taxes on income for the period considered.
- ii) Expenditure arising under paragraph i) of this Instruction shall be the subject of a separate budget which shall be drawn up at the same time as the other budgets of the Organisation. Final settlement of the contributions to this separate budget shall be made at the end of the period to which it relates.

**42.7 Date of effect**

These Implementing Instructions shall enter into force on the date on which they are adopted by the Council.

**PART-TIME WORK**  
**(Article 31)**

*Applicable from 27 June 2017 until today*

- 1 The Director-General may authorise a staff member to work part-time.
- 2 A staff member working part-time shall work for not less than half the official working hours in accordance with the timetable laid down by the Director-General.
- 3 In calculating the seniority required for an increment, the period during which the staff member works part-time shall be counted as full-time work.
- 4 A staff member working part-time shall receive the basic salary corresponding to his grade and step as well as any household, basic family, expatriation and language allowances and additional dependent child supplement under Article 16.16(iii) to which he is entitled in the ratio of the part-time hours worked to the official working hours. The dependant's allowance or supplement (except for the additional dependent child supplement referred to above) and the education allowance shall be payable in full.
- 5 A staff member working part-time shall receive a rent allowance if the amount of his rent, reduced in proportion of ratio of part-time hours worked to the official working hours, exceeds the part-time emoluments. For the purpose of Article 20 the rent allowance shall be a percentage of the difference between his rent (reduced in the proportion to his working hours) and the fraction of his emoluments as specified in Article 20.
- 6 If a staff member working part-time becomes entitled to an indemnity of loss of job under the terms of Annex IV, or to unemployment benefits under the terms of Annex V, periods of part-time service shall be taken into account proportionally in establishing the amount of the indemnity to be paid.
- 7 A staff member working part-time shall accrue annual leave at the rate of two and a half working days a month. A day's leave shall be understood as corresponding to the proportion of the part-time hours worked to the official working hours.
- 8 Entitlement to refund of travelling expenses for home leave shall be reduced by 2% for each month worked half-time during the two-year period conferring entitlement to home leave and pro rata for other part-time working hours.
- 9 Staff members working part-time shall be entitled to the benefits under the social security system referred to in Article 28. Contributions to the insurance scheme shall be calculated on the basis of full-time work. For the part-time which is worked, the staff member shall pay his share of the premium and EUMETSAT shall pay its share. For the part-time which is not worked, the staff member shall pay his own share plus EUMETSAT's share.
- 10 For the calculation of pensions the Pension Scheme Rules and its Implementing Instructions shall apply.
